NATURE CLUB- "WASTE IS WEALTH"

St. Aloysius' College , Nature club organized a online competition on **Waste is Wealth** on the occasion of science day (**28th February 2021**) focusing on the motto **"Reduce Reuse and Recycle"** with the aim of Regard before you discard, to have a sustainable environment in future.

- Students of UG & PG showcase their talent and used their imagination and creativity to have innovations with discarded materials like broken bangles, copper wire, plastic bottle, newspaper, pots, buttons etc.
- The innovative approach of the participants conveyed a message of having discrete use of resources before discarding them and thus creating an awareness for 'LOVE' and 'CARE' of environment. The competition was conducted under the supervision of Dr. Shikha Bansal , Dr. Sonali Nigam and Dr. Runa Paul.
