ABOUT ST. ALOYSIUS' COLLEGE

St. Aloysius College is a pioneer educational institution not only in the town but also in the state of Madhya Pradesh and is affiliated to Rani Durgavati Vishwavidyalaya, Jabalpur.

The College situated in the heart of the country was envisioned with the motto Virtus in Arduo in 1951. It is a Christian College owned and established by the Catholic Diocese of Jabalpur, which belongs to the minority community of Catholics and is administered by the said Diocese through the St. Aloysius College Society. It is a strategically located, co-educational college, catering to the diverse needs of both urban and rural students in Central India. The aim of the institution is to facilitate use of ICT, skill-development, development of global competencies, and ultimately to make the learners enhance their potential to be of service to self and society. The motto of the college Virtus in Arduo - 'Strength through Striving' propels the Aloysian fraternity to overcome barriers through constant perseverance. It has carried a legacy of being a beacon of efficiency and excellence.

THE PLACEMENT CELL

Vision: *To be a comprehensive source of career options for the students of the college.*

Mission: *To empower students to face the challenges in their career.*

Objective: *To enrich our students with the right set of knowledge, skills and aptitude and guide them in their career progression.*

Placement Cell at St. Aloysius was established in the year 2004. Since its inception it has grown manifold and it continually works on upgrading and preparing its students to embark upon their career paths.

Various in house training sessions and workshops are being conducted to train the students and enhance their communication skills, public speaking, logical & critical reasoning and aptitude. Sessions are also being undertaken to hone their interview skills, soft skills, leadership skills, corporate etiquettes, time management and stress management. Mock interview drills, group discussion rounds, role play activities, personality development sessions are also being conducted throughout the year with the sole aim of equipping them to face the challenges and making them future ready.

Placement cell also conducts several career guidance sessions by industry experts and career talks by the multifaceted alumni of the college so that the students can gain better real world insights through them. Along with the campus drives, various internships are also provided to the students to gain hands on experience which would further help them in moving towards a purposeful and fulfilling career.
