## **About the College**

St. Aloysius' College is a premier autonomous educational Institute in Madhya Pradesh. The college has been Re- accredited 'A+' by NAAC, Bangalore. It has carved a niche for itself by being the only college in the state, to have been awarded the highest CGPA (3.68/4.00) in all three cycles of NAAC accreditation and is also awarded with College with Potential for Excellence, DST-FIST Supported and Star College Scheme by DBT. St. Aloysius' College is synonymous with quality and has a legacy of efficiency. With its best infrastructure and rich academic ambience the college holds glories of success in providing excellence in education and character building of the students proving its motto "Virtus in Arduo".

## **About the Seminar**

*'A guru is someone who has the power to see greatness even in the lowest man and has the power to raise it'.* Since the beginning of civilization India has been the Guru for the whole world. *When the whole world was groping in darkness, India was teaching about the identity of man with the Supreme.* People from all around the world converged to India to gain from its priceless wisdom. Indeed, the country that showed the whole world its academic brilliance through Sushruta, Kanad, and Aryabhatta deserves to gain the same pedestal of being "Vishwa Guru Bharat" again. From Ayurveda to Indian science, there's more to India that the world needs to know, learn, and adopt. India has all the potential to become Vishva Guru once again because of its value system, culture, and inherent belief in 'Vasudhaiva Kutumbakam'. Now, is time that the entire world also imbibes the spirit. The New Education Policy (NEP)-2020 aims to overhaul the education system and create a new order that will meet the requirements of 21st century education, while building upon India's traditions and value systems. NEP 2020 is Indian in origin, international in its outlook, inclusive in its approach, and innovative and impactful in its outcome. Access, accountability, affordability, equity and quality are five pillars that will form the foundation of our future education ecosystem. It is aimed at transforming India and enabling the country regain its position as Vishwa Guru and we will grow in knowledge, research, science and technology and all spheres. The seminar is aimed at achieving a reinvigoration of novel research fields in academics. The research and development activities are the only pathway to reach to the goals of aspirational youth of India. The seminar targets the bridging of ancient knowledge with futuristic ideas.

## **Objectives of the Seminar**

- To gain an understanding of traditional approaches and methods and their current relevance for the nation.
- To identify the bridge the gaps in curriculum and attainment of future learning outcomes.
- To discuss the roadmap towards a holistic education.
- To understand the role of NEP-2020 in re-establishing the nation.
- To consider over ways of and means for carrying forward the process of revitalization in India.
- To assess the impact of National Education Policy on Higher Education.
- To uncover India's past glories in all spheres i.e. Social, Economical, Political, Cultural, educational, administrative.
- This will aid in recommending NEP implementation initiatives for the benefits of policy makers and other related agencies.
