

## **St. Aloysius' (Autonomous), College, Jabalpur**

### **Nature Club**

#### **Session – 2022-2023**

St. Aloysius' College, Nature Club on 18<sup>th</sup> January 2023 organized an awareness programme on sustainable farming. The objective was to make the students aware about the synthetic compost menace and management. They were informed how organic compost can protect and enhance the environment, which will in turn help the farmer to produce sufficient, high-quality and disease resistant crops.

Students were also made aware about the different steps involved in preparing organic compost. They were also informed how the compost can be used for sustainable farming. Total 22 UG students participated in the awareness programme. The programme was conducted under the supervision of Dr. Sonali Nigam, Dr. Runa Paul and Ms. Neha Namdeo.
