ALOYSIAN NATURE CLUB

St. Aloysius College (Autonomous), Jabalpur

(Estd. 2001)

MOTTO: 'CONSERVE AND PRESERVE'

**"You and I share an equal responsibility to keep our earth,
environment and world clean"**

2019-20

Nature club works with the vision to arouse general awareness among the students regarding the different environmental problems which are of major concern to the better future and survival of mankind. Club has the objectives of Motivating students to value environment, to make them aware about the grave situation of nature and means for its conservation. It motivates students by creating awareness on global environmental challenges and developing means to overcome them. The club is indebted to Dr.Mrs.Shikha Bansal ,Dr.Mrs. Sonali Nigam, and Dr.Mrs Runa Paul for being a part and support for the smooth functioning of the club. The office bearers of the club for the session were President Aditya Dixit, Vice President Vaishali Vishwakarma, Secretary Ayushi Binker and Treasurer Dev Sharma.

ANNUAL REPORT

ORNAMENTAL CROP CULTURE TECHNOLOGY: ROSE PLANTATION

Members gave an input on the objectives and methodology of ornamental crop culture technology to the student members of Nature Club. The club President Aditya Dixit took initiative of the plantation of rose saplings and many other ornamental seasonal plants in the college garden to enhance the green and clean ambiance of the campus. Around 40 saplings were planted and are being nurtured regularly by the student guardian of individual sapling.

VERTICAL GARDEN

Nature club has trained students for developing vertical garden in the college campus. Apart from developing scientific skill students were also trained for Plantscapers and contractors in this field, Planting designers, Interior designers and Garden designers. Students collected various waste materials such as coconut shell and used bottle to grow the plants.
