Sharing is Caring

The Rotaract Club of St. Aloysius College (Autonomous) with a vision of Serving Humanity with kindness, love, respect and compassion, provides opportunities to the college students to inculcate social responsibility and citizenship amongst them. The Rotaract club takes up the initiative in extending hands towards the fourth grade employees of the organization with the motive to equalize intellectual hike with philanthropy. We are fortunate enough to witness the goodness of our college through the extension activity on the occasion of Diwali on 19th October 2019. The students felt extremely honored to be a part of such a noble and vital cause.
