Women cell

2021-22

The following activities were conducted in the year 2021-22:

1. Health Awareness Program on “Health & Hygiene” was organized by Women Cell, St. Aloysius College (Autonomous), Jabalpur, M.P. on 12th October, 2021. The objective of the program was to impart knowledge and create awareness about health and hygiene during this pandemic time. This program was organized for the teachers and executives in the institution. The Guest Speakers were Dr. Anushree Jamdar, Joint MD and CEO, Jamdar group of Hospitals, Jabalpur, Yoga Acharya Mr. Rahul Awasthi, and Program coordinators Mr. Amit Pandey, Mr. Nitesh Pandey. It was very interesting session.

2. The women cell organized the one-day Educational Program for girl students in collaboration with Mathematics Department on “VEDIC MATHS COURSE FOR GIRLS” on 16th November, 2021. The main objective was to make the students aware about vedic maths and tricks, so that they can solve complex problems much easily and efficiently. It also enables faster calculation as compared to the usual method. To give them better understanding of mathematic and increase creativity and confidence in them and also promote women Empowerment. And many Techniques/Sutras to solve the mathematical arithmetic in easy and faster way. It consists of 16 sutras (formulae) and 13 sub- sutras (sub-formulae) which can be used for problems involved in arithmetic, algebra, geometry, calculus, conics etc.

business through a search engine. Find a web hosting company, Prepare your content, Build your website". On the second day of the program, Shreddha soni " Web design is the process of creating websites. It encompasses several different aspects, including webpage layout, content production, and graphic design. While the terms web design and web development are often used interchangeably, web design is technically a subset of the broader category of web development" practically showed the arrangement of Website design to students and also taught the process of defect detection and how to physically assemble them. The outcome of the program is that the students learn how to make the website and to implement further in their study.
