

## Department of Mathematics

A Guest lecture was organized for the Post Graduate students by the Department of Mathematics on 22<sup>nd</sup> March 2022. The Resource Person was Dr. Rishabh Tiwari Assistant Professor, Dept. of Mathematics and Computer Science, RDVV Jabalpur.

He spoke on 'Generalized Barycentric Coordinates' and gave inputs on various aspects ranging from coordinate system to Barycentric coordinate system in n-dimension & its applications. Thirty four students benefitted from the same.
