

# ST. ALOYSIUS' COLLEGE

(AUTONOMOUS), JABALPUR(M.P.)

Reaccredited 'A+' Grade by NAAC (CGPA 3.68/4.00)

College with Potential for Excellence (CPE) by UGC

DST-FIST Supported & Star College Scheme by DBT.

## Women Cell

2022-23

Their endeavors in the academic year 2022-23 encompassed a diverse range of programs and lectures:

- **Vaccination Drive (12th July, 2022)** was organized under the aegis of the Women's Cell in partnership with the NSS. The initiative was designed to facilitate vaccination for the unvaccinated segment of the college community. A total of 71 students were successfully inoculated during this drive.

- **Educational Initiative (12th August, 2022):**

The Women's Cell, in partnership with the Mathematics Department of St. Aloysius College, conducted a "Vedic Mathematics" seminar for 30 female students. The session aimed to equip attendees with efficient Vedic mathematical techniques to enhance problem-solving capabilities.

- **Awareness Initiative:** On 22nd September, the Women's Cell of St. Aloysius College conducted an awareness program attended by 147 students. The session's primary focus was to enlighten participants about societal challenges faced by women,

emphasizing empowerment and the pursuit of an egalitarian society. Additionally, the program underscored the pivotal role and status of women in developmental processes.

- **Sanitization Awareness Program:** From 12th to 14th October, the Women's Cell of St. Aloysius College facilitated a Sanitization Awareness Program. The initiative aimed to disseminate knowledge on health and hygiene practices. Targeted primarily at the institution's faculty and female student body, the program underscored the importance of maintaining a sanitized environment within the academic setting.

- **International Women's Day:** To commemorate International Women's Day on 8th March, 2023, the Women's Cell hosted a Speech Competition centered on the theme "Women Empowerment in India." The competition aimed to foster awareness

regarding the current landscape of female entrepreneurship in India. The event saw enthusiastic participation from 28 students.

- **Technical Training:** On 11th March, 2023, the Women's Cell, in association with the Computer Science Department, facilitated a two-day training session on "Website Design." The workshop was led by Mr. Swapnil Justin and Mr. Yohan Johan Yadav. The primary objective was to equip women students with foundational

knowledge in website design, enhancing their technical proficiency. The curriculum was structured to enable students to identify web design intricacies and diagnose potential anomalies. The program successfully imparted valuable skills to 35 participating students.
