

INTERACTING WITHIN

For this task we interacted with 5 NEC Teams:

- 1.E-Cell JEC
- 2.DYPUSM - E-Cell
- 3.E-Cell KITCOEK
- 4.E-Cell RIT
- 5.Udyam E-Cell Gyan Ganga

TEAM 1 - JEC (MoM)

DATE	14th November 2024
DURATION	1 Hour
TEAMS	<ul style="list-style-type: none"> ● ED-Cell SAC ● E-CELL JEC
TEAMS LOGO	  x
POINTS DISCUSSED DURING THE MEETING	<ul style="list-style-type: none"> ● Discussion on upcoming workshop, collaboration structure, and workshop coordination. ● Discussion on ongoing Tasks and updates. ● Marketing Strategies and Sponsorship plans of the other team. ● The team raised concerns about budget and technical challenges. ● They highlighted difficulties in communication with the thesis team and asked for clarification on the workshop's purpose. ● They also mentioned some challenges with their venture project.
LEARNINGS	<ul style="list-style-type: none"> ● Discovered how the other team executed the tasks. ● More Focus on in- Ground promotion and online Marketing support. ● Learned about how the other team approaches problem-solving
CONCLUSIONS	<p>The meeting provided key insights into the progress and challenges faced by the teams. The marketing strategy will prioritize in-ground promotion, supported by online marketing, with St. Aloysius' venue being the preferred choice. Additionally, JEC introduced a flexible sponsorship model with tiered fees and vouchers, which should be refined to align with the event's requirements and potential sponsor interests.</p>

TEAM 5 - Udyam (MoM)

DATE	19th November 2024
DURATION	1 Hour
TEAMS	<ul style="list-style-type: none"> ● ED-Cell SAC ● Udyam E-CELL Gyan Ganga
TEAMS LOGO	  <p style="text-align: center;">x</p>
POINTS DISCUSSED DURING THE MEETING	<ul style="list-style-type: none"> ● Discuss task updates for Illuminate. ● Address challenges in participant engagement. ● Plan strategies for event engagement and sponsorship. ● Discussion on ongoing Tasks and updates. ● Share member experiences and explore external mentorship opportunities. ● Difficulty in gathering and engaging participants. ● The decentralized teams structure caused inefficiencies and misalignment. ● The “mind milestone” idea box failed due to poor execution.
LEARNINGS	<ul style="list-style-type: none"> ● Engagement strategies need to be more targeted to attract and retain participants. ● Planning and coordination are crucial for the successful execution of activities. ● A more centralized approach could improve team collaboration and event efficiency.

<p>CONCLUSIONS</p>	<p>The meeting, held with e cell gyan ganga , focused on discussing the challenges faced during the Illuminate event, including low participant engagement and the failure of certain activities. Solutions discussed included improving participant outreach, and ensuring better execution of activities. Key learnings emphasised the need for targeted engagement strategies, proactive mentorship, and a more centralised approach to team coordination. Moving forward, these insights will guide the planning of future events to ensure better execution and outcomes..</p>
