REPORT ON VIRTUAL GUEST LECTURE

St. Aloysius College, Faculty of Life Sciences, organised an virtual guest lecture on August 26th, 2023, on the topic "How to Write an Interdisciplinary Research Project" under E-Yuva: Empowering Youth for Undertaking Value-Added Innovative Translational Research, supported by BIRAC's Biotechnology Industry Research Assistance Council (BIRAC), set up by the Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India. The speakers were Dr. Preeti Chandurkar, Assistant Professor and Project Coordinator, and Ms. Megha Tiwari, Assistant Professor and Project Assistant, E-YUVA Centre (supported by BIRAC, a Govt. of India Enterprise), Career College, Bhopal. The speakers gave detailed ideas about how BIRAC encourages interdisciplinary proposals from any stream that can help convert innovative ideas into biotech products. The lecture also discussed BIRAC's innovation and E-Yuva Fellows for UG and PG students, the duration of the fellowship, and the expected deliverables. They motivated the students to write projects and improve their career opportunities. The speakers also shared their insights on how the youth can create a more sustainable future through innovation and collaboration. At the end of the guest lecture, the students gave their feedback and explained how they had benefited. A total of 112 students and staff participated in this lecture.
