

ST. ALOYSIUS COLLEGE (AUTONOMOUS), JABALPUR, M.P.

DEPARTMENT OF BIOTECHNOLOGY

IISER-BHOPAL, 2022-23

Department of Biotechnology, St Aloysius College, Jabalpur organized a trip to IISER, Bhopal on 16th March, 2022. Students were taken to give exposure to world-class research and academic infrastructure. A total number of 31 students and 02 faculties were taken. The aim of the department was to foster knowledge in students pertaining to basic and advanced areas of biological sciences by pursuing both teaching and high-quality research and also through integrating biology with physics, chemistry and mathematics.
