

DEPARTMENT OF BIOTECHNOLOGY

AVINYA

REPORT, 2022-23

On the occasion of science day, the Department of Biotechnology organized an event named 'AVINYA' from 27- 28th Feb 2023.

Event: Science Day celebration

Date: 27 -28th February 2023

Number of the students: 80

Objectives:

To spread awareness in the young generation about scientific discoveries and Innovations.

Report:

National Science Day is celebrated every year on 28th February to mark the discovery of the Raman effect in 1928 by Indian physicist Dr. CV Raman. CV Raman discovered it while working in the laboratory of the Indian Association for the Cultivation of Science, Kolkata, which helped him in winning the prestigious Nobel Prize in 1930.

Department of Biotechnology, St Aloysius College, Jabalpur, organized an awareness program on National Science Day on 27-28 of february 2023.

In this regard, the Department organized various events like sci-fi eagle, Documentary and shark tanks.

Students showcase their talent and touched many aspects related to medicine discovery, Artificial intelligence and climatic effects. More than 80 students participated in the event.

Dr. Pramod Chetaniya, Assistant Professor, Department of physics Dr. Sutapa Roy, Assistant Professor, Department of Chemistry, Dr. Chitranshi Verma, Department of Management were the Judges for the various competitions on Day 1 of the event.

Dr Daya Shankar Gautam, Department of Zoology, Mr. Prakash Lange, Dept. of CS and Mr. Swapnil Justin, Dept. of CS were the respective judges for the documentary event.

Dr Manju Gupta, Dr Pramod Chetaniya and Dr Ashu Jain judged the participants of Shark tank.

Certificates and Awards were distributed to the winning students by Dr Anjali D'Souza, Vice Principal, Academics, SAC.

Various events like Sci fi eagle, shark tank and documentary competitions were organized.
