

**ST. ALOYSIUS COLLEGE (AUTONOMOUS) JABALPUR, M.P.**

**DEPARTMENT OF BIOTECHNOLOGY**

**SESSION, 2021-22**

**Event:** Science Day celebration

**Date:** 28 February 2022

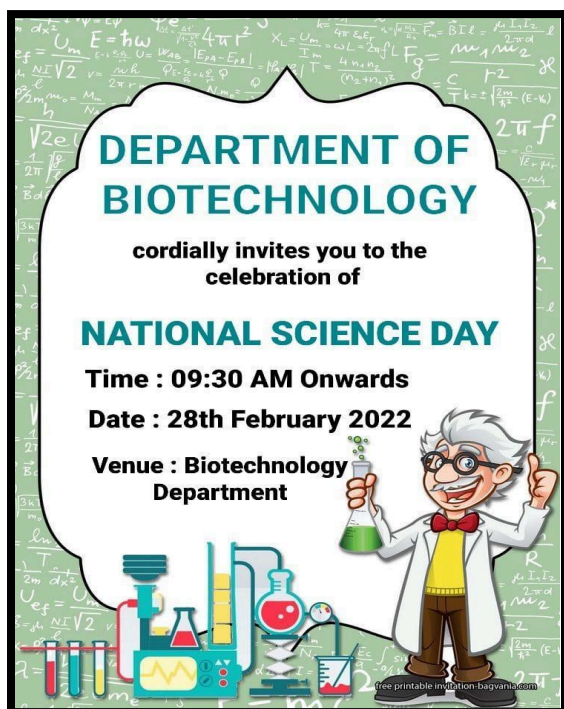

**Number of students:** 75

**Report**

National Science Day is celebrated every year on 28<sup>th</sup> February to mark the discovery of the Raman effect in 1928 by Indian physicist Dr. CV Raman. CV Raman discovered it while working in the laboratory of the Indian Association for the Cultivation of Science, Kolkata, which helped him in winning the prestigious Nobel Prize in 1930. The Department of Biotechnology organized an awareness program on National Science Day on 28 February 2022. In this regard, the Department organized various events like making science-based Reels and Memes, Spell- bee, and Skit on the discovery of Penicillin. Students showcase their talent and touch on many aspects related to medicinal discovery. More than 75 students participated in the event. Dr. Sutapa Roy, Assistant Professor, Department of Chemistry, Dr. Akhilesh Pathak, and Mr. Satyendra Jain, Assistant Professor, Department of Mathematics, were the Judges for the various competitions. Certificates and Awards were distributed to the winning students.

## 2nd Event REEL में SCIENCE

### Instructions

1. The theme for Reel is Viral Biotech or Science.
2. It should be humorous and decent.
3. Reel shouldn't exceed 60 seconds limit
4. It should be related to science topic like Central dogma, Covid-19, vaccination, scientific experiments etc.
5. Reel can be made individually or in group.
6. Reels have to be sent on the following  
WhatsApp number  
9893835706

Last date to submit Reel is 26/02/2022
