On the occasion of National Handloom Day, ED cell, St. Aloysius' College, (Autonomous) Jabalpur, conducted Handloom awareness program on 23rd August,2025 followed by a field visit to the handloom factory, Pratibhasthali Tilwara.

Key resource person for the awareness program was Dr. Femina Sobin, IIC coordinator, St. Aloysius' College who addressed the issues and solutions related with handloom artisans also highlighted the history of India where Charkha was a primary tool of weaving.

In the field visit to Pratibhasthali, Tilwara students went through the entire manual process of weaving, stitching, coloring, pot making, diya making, use of cow dung in different decorative items and many more other things. Sister, Unnati Jain and sister Shubhi Jain oriented the entire session and cleared students' queries.

Sixty students from all the faculties including Science, Commerce, Arts, BCA and Management along with 3 teachers participated in the program. Rev. Dr. J. Ben Anton Rose, Principal, St. Aloysius' College congratulated and appreciated to Dr. Ashu Jain for coordinating this event and Dr. Zareen Baksh for extending support to the team. The celebration activity received huge coverage on social media and local news papers such as The Hitavada, Aaj Tak and Tripuri Times.
