St. Aloysius' College (Autonomous) , Jabalpur Department of Computer Science Knowledge Fest “Meraki 3.0 Synapse”

MERAKI 2026

“Your future is waiting for you, when your tomorrow starts today”

The Department of Management and Department of Computer Science conducted a Knowledge fest- Meraki 3.0 Synapse which stands ‘to put your heart and soul into something’.

Meraki 2026 was an annual fest organized by St. Aloysius' College (Autonomous) Jabalpur, on 6th and 7th February , under the guidance of Dr. Rashmi Patras, Head of the Management Department& Mrs. SK. Walia, Coordinator of Department of Computer Science. The entire event was supervised by the Principal Rev. Dr. Ben Anton Rose .

The fest was a perfect occasion where the students showcased their skills, energy, and enthusiasm toward creativity, knowledge-building, and sportsmanship. It was a gathering, marking participation across various academic competitions and activities.

MERAKI 3.0 this year, was set to explore and understand the captivating energy and connecting passion with our spirit. It let us express that feeling and experience, the joy of putting our hearts into doing things we love.

Around 100 students from 9 schools and 250 students from college participated in various activities . The students' committee of both departments managed the event and was in charge of the academic activities.

Activity name : Tech Themed Photo Scavenger Hunt

Teacher Incharge : Mrs.Palak Bharil

Student Coordinator : Vedika , Tushar , Saransh , Nandini , Ayush Upadhyay

Participants : 64 students participated

Report : The Department of Computer Science and the Department of Management at St. Aloysius College (Autonomous), Jabalpur, successfully organized the "Tech Photo Scavenger Hunt" as part of the Meraki Fest 3.0 celebrations. Held on Friday, 7th February, starting from 11:00 AM onwards on the college campus, the event challenged participants to "Assemble Your Crew. Capture the Future." The competition featured two-member teams who worked collaboratively to solve complex puzzles and locate specific photo answers hidden across the campus grounds. Once found, participants snapped pictures of their discoveries to create unique digital collages for a chance to win exciting prizes. Registration for the high-energy event was managed digitally via an on-poster QR code, drawing enthusiastic participation from students across departments.
