Bhopal (M.P), 462002

Subject: Reply to the discrepancies found in GIS Application Form No: 3038047, submitted on 05/02/2016,

Dear Sir,

With reference to our GIS Application Form No: 3038047, submitted on 05/02/2016, the following discrepancies have been observed;

1. As per GIS form data, the institution is running .B.Ed. but the institution has ticked composite institution & course details not uploaded.
2. As per data, institution is minority but as per record, no documentary proof of institution being minority given.

In reference to the first discrepancy highlighted, please note that our institution comes under a category of composite institution as it is offering Undergraduate and Post Graduate programmes of study in the field of Arts, Science, Commerce and B.Ed. according to the new regulations of NCTE, 2014. As per the instructions through the telephonic conversation with WRC, NCTE, Bhopal while filling the GIS application form 'NO' option was ticked for composite institution only, and there was no option provided to upload the course details of graduate and post-graduate programmes.

In reference to the second discrepancy regarding uploading the documentary proof of being Minority Institution, there was no option provided for uploading the Minority certificate in the GIS application form. Therefore, kindly find attached required documents.

Thanking you

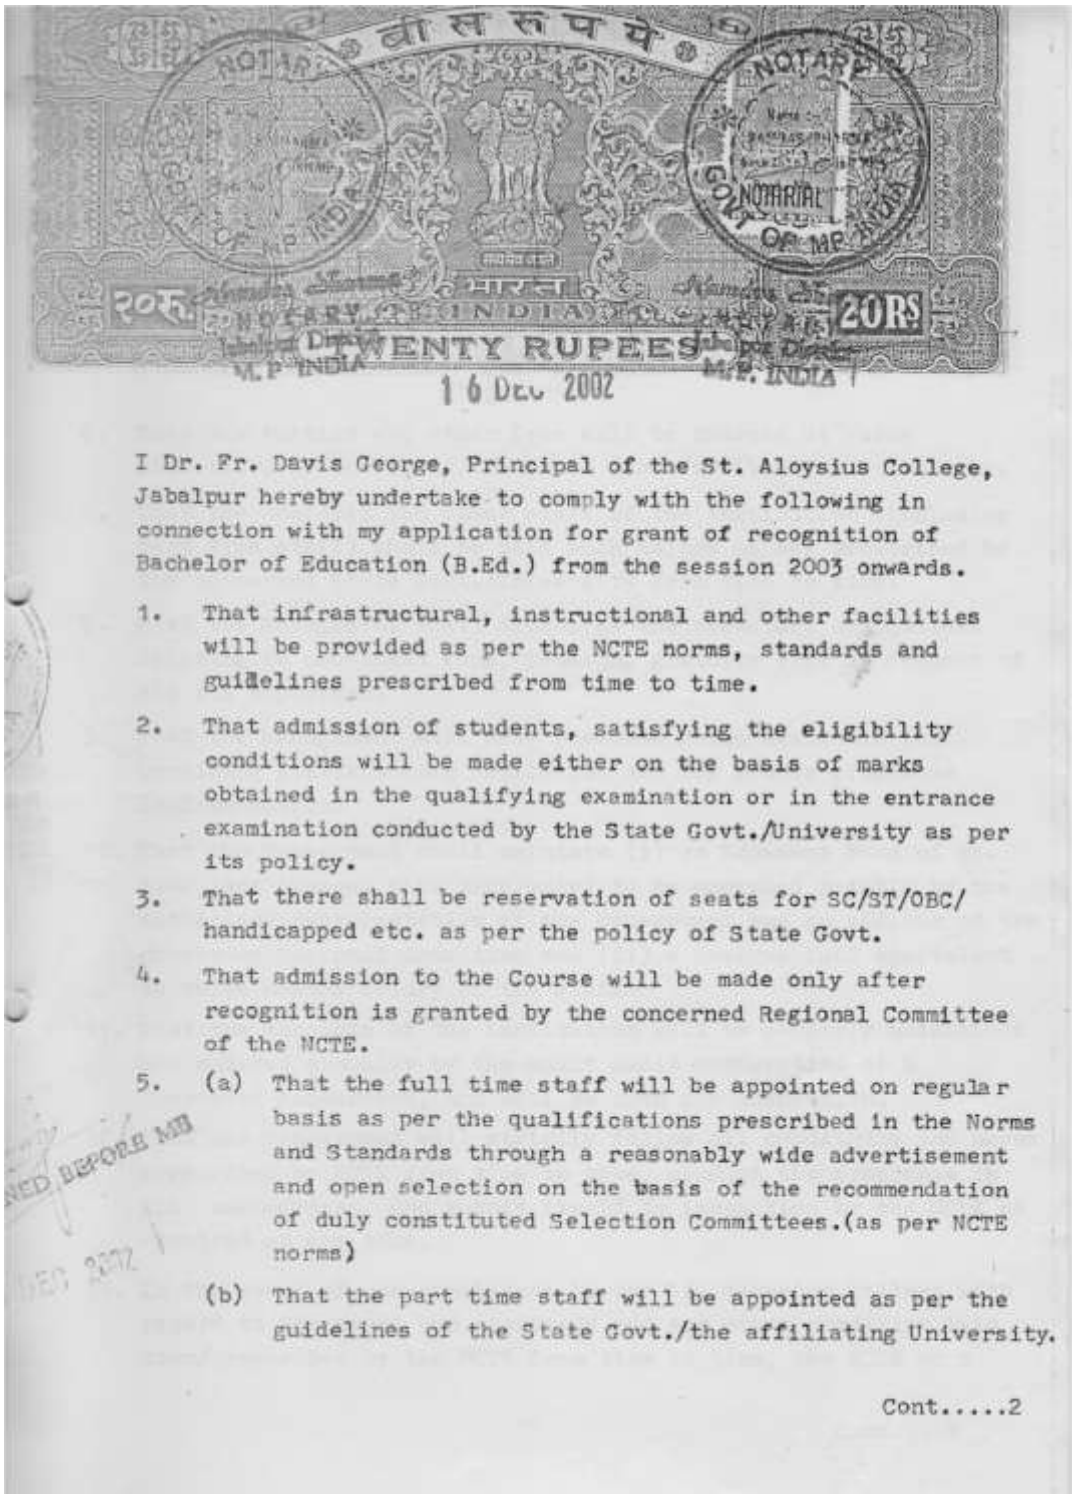

Yours faithfully
