INTERNAL QUALITY ASSURANCE CELL NEWSLETTER-2019

From the Chairperson's Desk

The quality of an educational institution is primarily determined by the extent and nature of the internal resources that it possesses, coupled with the efficient usage of these to yield creative and industrious manpower. Being an institution that does not rest on its laurels, we continue to forge ahead in our mission of evolving and excelling in the areas of pedagogy, research and student progression. We also nurture the fertile minds of students to evolve them as productive and responsible citizens of our country characterized with distinctive humane values. This newsletter mirrors the progressive steps taken in this direction by the institution.

My sincere thanks and good wishes are due to all the members of IQAC for facilitating the internalization and institutionalization of quality enhancement initiatives.
