*"A nation is advanced in proportion to education and intelligence spread among the masses." - Swami Vivekananda.*

*IQAC plays a vital role in developing an institution into a quality education center. It brings forth the achievements of the institution and regulates academic activities with the objective of sustained academic growth, identifying the areas that need improvement with novel ideas.*

*The Goal of IQAC of our college is to channelize and systematize the efforts and measures of an institution towards academic quality. In the post NAAC accreditation scenario, the IQAC is projected as an embedded function of the college, harnessing synergies from all its constituent units. As a part of a mandate of an all-encompassing quality enhancement in the college, the IQAC newsletter serves as an important conduit in the effort of spreading important information of the College and its activities on a periodic basis.*
