ST. ALOYSIUS WHOLE PERSON LEARNING: CONNECTING ACADEMICS TO VALUES

The main goal of St. Aloysius College, Jabalpur, derives from the founder's long-term vision. The institution has reaffirmed its vision of "transforming the youth via holistic education towards a value-added enlightened society" as it celebrates years of service. The "St. Aloysius Whole Person Learning Approach," a multifaceted collaborative approach that is student-centered, extends learning beyond the curriculum, and connects student-to-student learning with society and the environment as a whole, makes the vision a reality.

SAWPL encompasses 5 core dimensions:

DIMENSION 1 : ACADEMIC EXCELLENCE

Academic Excellence is the core pillar that sets the college at par. The college ensures excellence in academics by emphasizing on inclusion and access to quality education, providing an environment of learning that enhances dissemination of knowledge. With student centric diverse teaching strategies through technology embedded tools, collaborative tools, projects-based

learning we allows students to learn by reading, experience and discussions which nurture research and innovation among them.

DIMENSION 2: SKILL DEVELOPMENT

The institution's emphasis on capacity and skill enhancement by actively participating in activities that contribute to their overall growth. Through the planning of various developmental activities, vocational courses, certificate and diploma programs, computer training, short-term training for effective professionals, and personality development measures, skill development is attained.

DIMENSION 3 : COMMUNITY & CARE- ISR

As a part of Institutional social responsibility, the college fosters education that is focused on social responsibility and ethical values. Through NSS, NCC, and various clubs' activities students integrate intellectual and social development with personal and societal growth during this process. The ISR of the college aids pupils in developing into caring individuals who strive to uphold social responsibility. Eco-centric approaches beyond the classroom education includes outdoor interaction and nurturing activities with the environment.

DIMENSION 4: UNIVERSAL VALUES & ETHICS

The college not just emphasis on academic excellence, but also nurture our students emotionally and spiritually. Morning assemblies, celebration of nationally acknowledged days and person were comraded. Through specific elements like peace included in our curriculum and encouraging activities like yoga, we teach students to imbibe good values to build character and treat everyone with respect.

DIMENSION 5: INNOVATION & CREATIVITY

Students' inventive skills is sparked by the college's Start-up initiatives, Institution Innovative Council, Entrepreneurship Development Club, and Atal Ranking of Institution on Innovation Achievement (ARIIA) Cell. Students demonstrate their original thinking through invention while also developing their innovative abilities.
