

IQAC Recommendations and ATR

2022-2023

Recommendation	Action Taken Report (ATR)
Curricular Enhancement	Integrated region-specific modules encompassing Jabalpur's eminent poets, writers, historical dynasties, architectural landmarks, judicial structures like district and high courts, and the local biodiversity, ensuring a comprehensive understanding of local and regional requisites.
Academic Adaptability	Introduced a broader spectrum of interdisciplinary electives and vocational modules to foster comprehensive skill development.
Experiential Learning Augmentation	Expanded Memorandums of Understanding (MoUs) with external entities to integrate students into field-based projects, research endeavors, and internships.
Differential Learning Adaptation	The Department of Education conducted biannual discipline-specific counseling sessions, providing tailored support programs and instructional strategies recommendations to relevant faculty members.
Mentor-Mentee Management System	An advanced automated platform, accessible via [URL], streamlines mentoring processes. Key features include a Progress Tracking Tool, an Automated Messaging System for direct mentor-mentee communication, and a Report Generation module for stakeholder presentations.
Examination Management System Enhancements	<ol style="list-style-type: none">1. Custom software developed for seamless orchestration of pre and post-examination activities for the Second Year Examination Scheme, in compliance with NEP, hosted securely on the cloud with HTTPS access.2. Mark sheet module refined with NEP Semester's "Candidate List" integration, facilitating selective generation and minimizing system strain.3. Transition to OMR Evaluation software version OMRv23.4. Crystal Reports updated to align with NEP Semester requirements.
Research Funding Initiative	Seed capital was allocated to five faculty members to start their research endeavors.
Building ecosystem for innovation	In 2020, the institution integrated with the Institution Innovation Council (IIC), fostering a structured innovation ecosystem. Through participation across IIC quadrants, the institute achieved 3.5/5 star rating.
Awareness about IPR	On 31st March 2023, the institution's R&D Centre and IIC collaborated with the Indian Patent and Trade Marks Office, Mumbai, to conduct a specialized webinar on "Cognizance of Intellectual Property Rights for Aspiring Minds." The session featured insights from Mr. Amol R. Patil, a distinguished Patent & Design Examiner.
