## Best Practices I

### 1. Title of the Practice:

**“SPARSH : Touching lives and moving towards Building A Society with Equal Opportunity”**

### 2. Objectives of the Practice:

**What are the objectives / intended outcomes of this “best practice” and what are the underlying principles or concepts of this practice? (in about 20 words)**

Implementing the theme of the year “Aloysian Year of Social Responsibility (AYSR)”, the college nurtured our learners into responsible human beings. SPARSH, is an initiative in developing sensitivity among students towards societal upliftment in which the college extends opportunities integrated with curricular activities which intends to make students help, serve reflect and learn (HSRL) human values and commitment, paving ways towards attainment of holistic education which emphasizes societal growth and equal opportunity.

### 3. The Context

**What were the contextual features or challenging issues that needed to be addressed in designing and implementing this practice? (in about 30 words).**

Cultivating human values and ethos to foster an equal opportunity society, SPARSH focuses on six domain areas up liftment of education among under-previlidged children, literacy development, women empowerment, community engagement, health & hygiene, and environment conservation. Various clubs and societies function and work together to minimize the significant disparity in society.

### 4. The Practice-

**Describe the best practice and its uniqueness in the context of Indian higher education. What were the constraints/limitations, if any, faced? (in about 50 words).**

SPARSH- Touching Lives and Moving towards Building an Equal Opportunity Society is a strong initiative that encourages and addresses various social responsibility and concerns of the college. Promoting and building human values and ethos among our students as part of Whole Person education, SPARSH aims:

- To improve educational opportunities for deprived students by providing resources, infrastructure, and need-based support,
- To promote computer literacy and digital awareness at rural schools, thereby bridging the digital divide,
- To empower women through programs aiming to enhance their literacy and creating health and hygiene awareness.

[INFO@STALOYSIUSCOLLEGE.AC.IN](mailto:INFO@STALOYSIUSCOLLEGE.AC.IN)

- To engage in community outreach program to address pressing social issues and contributing to the well-being of the society,
- And to infuse environmental consciousness among students, promoting a green and clean environment.

## 5. Evidence of Success

**Provide evidence of success such as performance against targets and benchmarks, review/results. What do these results indicate? Describe in about 40 words.**

Under the umbrella of SPARSH, the college has adopted 5 villages - Pipariya Kalan, Khamariya, Saliwada, Pipariya Khurd, and Neemkheda, wherein the six developmental and extension activities are undertaken. Conduction of awareness drives promoting health, hygiene, and cleanliness, assisting basic livelihood and education, celebration of major festivals, Nukkad Nataks on societal issues, distribution of basic educational items and food items, sapling plantation, dental check-ups, JAGRUKTA (awareness) rallies on diseases and social issues and Swatch Pakhwada are major initiatives which has been done under SPARSH. Collaboration of departments with local NGOs like KADAM Foundation for environmental protection and conservation, Red Cross Society for Blood Donation camps, and MUKTI Foundation for water tank cleaning of religious places in cities, health check-ups and dental check-ups, has strengthened our SPARSH initiatives.

## 6. Problems Encountered and Resources Required,

**Please identify the problems encountered and resources required to implement the practice (in about 30 words).**

With overwhelming achievements, certain obstacles and limitations have been experienced during SPARSH initiatives, which were in relation to higher demand and need, non-availability of resources, the decreasing interest of students in these joyful tasks, timely reachability and improper accessibility to the underprivileged was a challenge towards stronger and successful implementation. Yet with the help and support of the student community, and alumni and with the collaboration of local NGOs, the college was able to overcome these problems.

## 7. Notes (Optional)

**Please add any other information that may be relevant for adopting/ implementing the Best Practice in other institutions (in about 30 words). Any other information regarding Institutional Values and Best Practices that the institution would like to include.**

Reshaping education to cultivate twenty-first-century workplace skills and character competencies to foster equal-opportunity societies is the base of the SPARSH initiative which has championed and executed a range of multilateral initiatives that provide education, awareness, and advocacy for societal concerns. Engagement of local NGOs with a community-driven social responsibility approach generated positive transformation amongst our students. Conduction of computer literacy programmes, and integration of research with social responsibility in the coming years, will further generate and strengthen the spirit of students towards a positive equal opportunity society.

## Best Practice II

### 1. Title of the Practice:

*“Nurturing Student towards Self-Actualization”*

### 2. Objectives of the Practice:

**What are the objectives / intended outcomes of this “best practice” and what are the underlying principles or concepts of this practice?**

St. Aloysius College, Jabalpur, a place where we are advancing education through the development of extraordinary abilities that transcend conventional limits. As an epitome of developing, competent youth of tomorrow, where the maxims of learning from action, experience, and exploration take place, the college deploys students with opportunities in sports, cultural, NCC and NSS, to do things that foster self-learning and self-development. Our strategy includes cultural and athletic accomplishments at the district, national, and international levels in addition to academic success. We give the National Cadet Corps (NCC), the National Service Scheme (NSS), and sports talent development a lot of attention.

This demands a process of identifying talent, using contemporary training techniques, monitoring performance thereby increasing students' achievements at regional, zonal, national and international level.

### 3. The Context

**What were the contextual features or challenging issues that needed to be addressed in designing and implementing this practice?**

1, AHILYA BAI MARG, PENTINAKA CHOWK, SADAR, CANTT, JABALPUR, MADHYA PRADESH,  
INDIA 482001

[INFO@STALOYSIUSCOLLEGE.AC.IN](mailto:INFO@STALOYSIUSCOLLEGE.AC.IN)

With resilience and perseverance as vitals of leadership qualities, we pioneer education by cultivating exceptional talents that extend beyond traditional boundaries. Our approach is not only centered on academic success but also encompasses athletic and cultural achievements at district, national, and international levels. We place great emphasis on fostering talents in sports, the National Cadet Corps (NCC), and the National Service Scheme (NSS). This Aloysian practice enables to develop high performance competitive environment with suitable strategies, policies, disciplined characteristics and teamwork. Undergraduates are actively encouraged to engage in a wide variety of curricular and co-curricular activities beginning in their very first year. Progressive programs tailored to each category of students' specific needs are provided and made available to them. Experts trainers, special training sessions, regular monitoring of students' performance are the contextual feature of the practice. `

#### **4. The Practice-**

**Describe the best practice and its uniqueness in the context of Indian higher education. What were the constraints/limitations, if any, faced?**

As we embark on this journey of talent nurturing, we foster a vibrant community where passion meets opportunity, and students have the chance to shine on the global stage. As St. Aloysius College continues to prioritize the holistic development of its students, it stands as a beacon of excellence, empowering the next generation to achieve greatness. Imbibing the core areas of whole person education, the college commits in fostering positive, competitive environments, which creates awareness and encourages students regular academic, physical and cultural development at the regional, national, and international levels. The institution provides **efficient human and facility resources** to support learners to increase their skills, expertise, leadership traits, teamwork, physic through internalizing and institutionalizing the practice. Additionally, students are sent to **Sports Academy for specialized training**. In this manner we provide a lot of opportunities to student which includes, in sports -basketball, archery, weightlifting, volleyball, badminton, Wushu, cricket, table tennis, Taekwondo and lawn tennis, in academic and cultural- speech,

extempore, debate, quiz, singing, dancing, drama, mime and skit in NCC- Youth Exchange Program, Over Seas Deployment Camps, Advance leadership camps, RDC, NSC, firing, combined army attachment camps, All India Tracking Camps, Yachting Camps, Sailing Camps, Ek Bharat Shreshtra Bhatrat Camp, Thal Sena Camp (TSC), and in NSS- all society development and enrichment activities.

With our mission is to produce well-rounded individuals who excel in all aspects of life. We provide scholarships and financial support to outstanding athletes, ensuring that financial constraints do not impede their progress. Our sports teams have represented the institution internationally, earning accolades and bringing recognition to the college. The college enables cadets to participate in national and international camps, including the Republic Day Camp and Youth Exchange Programs. Our NCC unit has a distinguished record, with many cadets attaining high ranks and honors in state and national-level camps and competitions. These experiences broaden their horizons and expose them to diverse cultures and leadership styles. Similarly, the NSS unit engages students in social service activities, encouraging them to participate in international conferences and forums on social issues. Fear of competition and improper attendance of students towards training, were few limitations faced.

## **5. Evidence of Success**

**Provide evidence of success such as performance against targets and benchmarks, review/results. What do these results indicate? Describe in about 40 words.**

Our track record speaks volumes, with numerous accolades in various sports tournaments and cultural festivals at all levels. We take pride in the accomplishments of our students, commemorating their achievements and milestones as they honorably and distinctively represent our institution. The student's performance brought glories by bagging gold, silver, and bronze medal at various levels. The following people in such roles celebrated their moment of triumph:

## **6. Problems Encountered and Resources Required**

**Please identify the problems encountered and resources required to implement the practice.**

Decreased willingness due to fear of competition, time management, coping with academics' standards, cooperation and team management resulted in the students non - participation in the various individual and group activities. However, the college with excellent trainers and facility resources organized several special trainings, personality development sessions, and stress management sessions to maintain the talent, zeal, physical, and motivation level of the students. Close monitoring of students, various camps in NCC & NSS, In-house competitions, intense practice sessions, are few strategies through which the institution brings back the students to their required performance level.

## **7. Notes (Optional)**

**Please add any other information that may be relevant for adopting/ implementing the Best Practice in other institutions. Any other information regarding Institutional Values and Best Practices that the institution would like to include.**

Reshaping and strengthening the pattern of whole person education by engaging in real-world experiences, the college enables the students to hone their various skills to be more effective leaders with higher resilience and sustainability in various fields apart from academic domain.

The institution works to support our students with positive, competitive environments at the regional, national, and international levels. Student awareness towards the advantages of Curricular and co-curricular activities for a healthy lifestyle is the core concern of this practice. This comprises a goal-oriented planning and talent development approach that improves student performance at all competitive levels.

## To whom it may concern

It is to inform that the following students of St. Aloysius college are practising Karate under my guidance at Wright Town Stadium and they have shown a tremendous dedication towards the sport and I am excited to see their continuous development in the field of Karate sport.

The name of the players are as follows :-

1. Sapna Pandey- International player
2. Aarti Tiwari - International player
3. Smriti Prajapati - National player

I am confident that they will make significant progress in their respective field and I wish them good luck.
