

National Science Day 2026 Brief Report

Title of the Event: National Science Day 2026 Women in Science Catalyzing in Viksit Bharat

Date and Venue: 26/02/2026 to 7/03/2026

Venue : St. Aloysius' College (Autonomous)

Jabalpur

Coordinator : Dr. Amita Chhatri Assistant Professor Department of Chemistry

Address of Institutions:

St. Aloysius' College (Autonomous)

1, Ahilya Bai Marg, Pentinaka Chowk, Sadar Cantt., Jabalpur, Madhya Pradesh, India, 482001

Objective of the Event

National Science Day is celebrated in India every **28 February** to commemorate Sir C.V. Raman's 1928 discovery of the Raman Effect.

The core objectives of the celebration include:

- 1. Encouraging Youth:** To ignite interest in science among students, inspiring them to perform new experiments and pursue careers in research and innovation.
- 2. Scientific Temper:** To foster a scientific temper, curiosity, and rational thinking among the general public to combat superstitions.
- 3. Showcasing Progress:** To display the latest achievements, efforts, and activities in the scientific field aimed at human welfare.
- 4. Public Awareness:** To spread the message of the importance of science and its practical application in the daily lives of people.

Activities done during the program

Different type of activities were organized by the various Science Departments of the college-

1. Department of Botany and Microbiology

- Workshop on Instrumentation
- Biospark Pitch
- Science in Action (Model Making)

2. Department of Biotechnology

- Bingo
- Science Quiz
- Shark Tank
- Science Documentary

3. Department of Chemistry

- Guest Lecture
- Organic Product Expo
- Pharmaceutical Product Expo
- Slogan writing Competition

4. Department of Computer Science

- Computer Hardware training Program

5. Department of Mathematics

- Speech Competition

6. Department of Physics

- Guest Lecture
- Poster Presentation
- Working Model Competition
- Rangoli Competition
- Slogan Writing Competition
- Quiz Competition

7. Department of Zoology

- Guest Lecture
- Reel Making Competition

Outcomes and Impact

1. Department of Botany and Microbiology

The workshop on instrumentation enhanced students' practical knowledge of scientific instruments used in laboratories. Activities like *Biospark Pitch* and *Science in Action (Model Making)* encouraged students to present innovative ideas and develop scientific models, improving their creativity, research thinking, and problem-solving skills.

2. Department of Biotechnology

Activities such as *Bingo*, *Science Quiz*, *Shark Tank*, and *Science Documentary* helped students learn scientific concepts in an interactive and engaging manner. These events strengthened students' analytical thinking, teamwork, and presentation skills while also increasing their interest in scientific entrepreneurship and current scientific developments.

3. Department of Chemistry

Guest lecture on the topic "Invisible Pioneers: Women in Science" By Dr. Kallol Das Vice Principal St. Aloysius Autonomous College Jabalpur. The *Guest Lecture* provided valuable insights from expert and enhanced students' understanding of recent developments in chemistry. The *Organic Product Expo* and *Pharmaceutical Product Expo* helped students explore the practical applications of chemistry in everyday life and industry. The *Slogan Writing* activity encouraged students to express scientific ideas creatively and spread awareness about the importance of science.

4. Department of Computer Science

The *Computer Hardware Training Program* improved students' technical knowledge about computer components, maintenance, and troubleshooting. It also helped students develop practical skills useful for their academic and professional growth.

5. Department of Mathematics

The *Speech Competition* enhanced students' confidence, communication skills, and ability to explain mathematical ideas clearly, while also promoting logical thinking and academic discussion.

6. Department of Physics

Guest Lecture on the Topic "Physics in Everyday Life by Dr. M.K. Roy Assistant Professor IIT DM. Through activities like *Guest Lecture*, *Poster Presentation*, *Working Model*, *Rangoli*, *Slogan*, and *Quiz Competition*, students were able to

demonstrate their understanding of physical concepts creatively. These events improved scientific curiosity, teamwork, innovation, and the ability to present complex scientific ideas in simple forms.

7. Department of Zoology

Guest lecture on the topic “Modern techniques in Molecular Biology” by Dr. Asha Khanna Director Avika Research Lab Jabalpur. The *Guest Lecture* enriched students’ knowledge about recent developments in zoological sciences. The *Reel Making Competition* helped students develop practical skills and a deeper understanding of biological structures and animal diversity.

Overall Outcome:

The activities conducted during National Science Day successfully fostered scientific temperament, creativity, and innovation among students. They encouraged active participation, enhanced practical knowledge, and strengthened communication and research skills, thereby promoting a deeper appreciation for science and its role in societal development.

Prize Distribution Ceremony

The Faculty of Sciences of St Aloysius College Jabalpur organized a Prize Distribution Ceremony on **7 March 2026 at 11:00 a.m.** to felicitate the winners of various activities on the occasion of National Science Day 2026 Sponsored by the Madhya Pradesh Council of Science and Technology Bhopal .The ceremony began at **11:00 a.m.** with the welcoming of the Vice Principal and Exam Controller as Chief Guest. The program started with a brief introduction highlighting the objectives and importance of the activities conducted by the Science departments. During the ceremony, certificates and gifts were distributed to the winners by the dignitaries. The awardees were congratulated for their achievements and encouraged to continue pursuing excellence in science and research. The event was held to recognize the talent, creativity, and scientific enthusiasm of the students

St Aloysius College holds event on National Science Day

■ Staff Reporter

ON THE occasion of National Science Day 2026, Science stream, St Aloysius College organised a seven-day programme of National Science Day 2026 with the theme of "Women in Science: Catalysing Viksit Bharat."

The programme was sponsored by Madhya Pradesh Council for Science and Technology, Bhopal. Various activities were conducted by the Departments of Life Sciences,

Active participants receiving prizes during prize distribution.

including a Herbal Product Exhibit, Organic Product Expo, Rangoli Making, Shark Tank, Slogan Writing and Quiz competitions.

These events witnessed enthusiastic participation from students and highlighted creativity, scientific awareness, and innovation.

The celebrations concluded with an insightful lecture delivered by Dr Kallol Das, college's Vice Principal followed by the prize distribution ceremony. The prizes were awarded by Vice-

principal, Dr Das alongwith Dr Meeta Darbari, Exam Controller, St Aloysius' College, bringing the week-long event to a memorable close.

Coordinator of the National Science Day event was Dr Amita Chhatrri. Alongwith faculty members, they contributed to make the above programmes successful. Dr Fr. Ben Anton Rose, Principal, appreciated the students for their active participations and encouraged the innovative ideas and enthusiasm of students.

संत अलॉयसियस कॉलेज में राष्ट्रीय विज्ञान दिवस कार्यक्रम का समापन

जबलपुर।

संत अलॉयसियस कॉलेज में राष्ट्रीय विज्ञान दिवस 2026 उत्साहपूर्वक मनाया गया। मध्यप्रदेश विज्ञान एवं प्रौद्योगिकी परिषद, भोपाल के सहयोग से 26 फरवरी से 7 मार्च तक "विज्ञान में महिलाएँ विकसित भारत की उत्प्रेरक" विषय पर विभिन्न कार्यक्रम आयोजित किए गए। प्राचार्य डॉ. फादर बेन एंटन रोज और समन्वयक डॉ. अमिता छत्री के

मार्गदर्शन में हर्बल व ऑर्गेनिक प्रोडक्ट प्रदर्शनी, रंगोली, शार्क टैंक, स्लोगन लेखन और क्विज जैसी प्रतियोगिताएँ आयोजित हुईं, जिनमें विद्यार्थियों ने उत्साहपूर्वक भाग लिया। कार्यक्रम का समापन 7 मार्च को डॉ. कल्लोल दास के व्याख्यान एवं पुरस्कार वितरण समारोह के साथ हुआ। विजेताओं को पुरस्कार डॉ. कल्लोल दास, उप-प्राचार्य तथा परीक्षा नियंत्रक डॉ. मीता दरबारी द्वारा प्रदान किए गए।

संत अलॉयसियस कॉलेज में राष्ट्रीय विज्ञान दिवस 2026 का उत्साहपूर्वक आयोजन

संत अलॉयसियस कॉलेज में राष्ट्रीय विज्ञान दिवस 2026 बड़े उत्साह और उमंग के साथ मनाया गया। मध्यप्रदेश विज्ञान एवं प्रौद्योगिकी परिषद, भोपाल के सहयोग से आयोजित यह कार्यक्रम विज्ञान संकाय द्वारा 26 फरवरी से 7 मार्च तक 'विज्ञान में महिलाएँ: विकसित भारत की उत्प्रेरक' विषय पर आयोजित किया गया। कार्यक्रमों का संचालन प्राचार्य डॉ. फादर बेन ग्रांटन गेज, राष्ट्रीय विज्ञान दिवस की समन्वयक डॉ. अमिता छत्री तथा

विज्ञान विभाग के अध्यक्ष एवं संकाय सदस्यों के मार्गदर्शन में किया गया। लाइफ साइंस विभागों द्वारा विभिन्न रोचक गतिविधियों का आयोजन किया गया, जिनमें हर्बल

प्रोडक्ट प्रदर्शनी, ऑर्गेनिक प्रोडक्ट एक्सपो, रंगोली निर्माण, शार्क टैंक, स्लोगन लेखन तथा क्विज प्रतियोगिता शामिल थीं। इन कार्यक्रमों में विद्यार्थियों ने

उत्साहपूर्वक भाग लिया और अपनी रचनात्मकता, वैज्ञानिक जागरूकता तथा नवाचार का उत्कृष्ट प्रदर्शन किया। समारोह का समापन 7 मार्च को डॉ. कल्लोल दास के जानवर्षक व्याख्यान के साथ हुआ, जिसके पश्चात पुरस्कार वितरण समारोह आयोजित किया गया। विजेताओं को पुरस्कार डॉ. कल्लोल दास, कॉलेज के उप-प्राचार्य तथा सेंट अलॉयसियस कॉलेज की परीक्षा नियंत्रक डॉ. मीला दरबारी द्वारा प्रदान किए गए। इस प्रकार सप्ताहभर चले इस कार्यक्रम का यादगार समापन हुआ।
