## OUR INSPIRATION

# ST. Aloysius Gonzaga

## Patron of Our College

St. Aloysius Gonzaga, born in 1568, in North Italy. His parents wanted him to become a great man with wealth, prosperity, honour, fame and glory. With a view to mould him in his field they sent him to reputed places for education. But, God called him for a special mission. In spite of all oppositions he chose to dedicate his life for the greater glory of God. At the age of seventeen he joined a religious order called 'Society of Jesus'. During his training period, while taking care of plague-stricken

It was not the length of life, rather the quality of life which he led that made him a saint. His life is in itself an epic. The strong desire he had to serve the poor downtrodden and itinerant, led him to sacrifice everything that he could inherit lawfully. He chose a hard life to the soft and cozy one. He preferred to carry the cross following the footsteps of his Master and Lord Jesus Christ than getting lost in the midst of the pleasures of the world. Our College bears the name of St. Aloysius Gonzaga.

May he inspire each one of us and fill out hearts with a burning desire to serve God and to contribute to make the world a better place to live.  
Where Love, Truth, Justice, Equality and Brotherhood reigns.
