REPORT ON MSME IDEA HACKATHON 6.0

The **MSME Idea Hackathon 6.0** was organized by the **Entrepreneurship Development (ED) Cell, St. Aloysius' College (Autonomous), Jabalpur**, in association with the **Institution's Innovation Council (IIC)** and the **Ministry of Micro, Small and Medium Enterprises (MSME)** on **Saturday, 8 August 2026**, from **12:00 PM to 3:30 PM** at the **Conference Room, St. Aloysius' College (Autonomous), Jabalpur**.

The programme aimed to promote **innovation, entrepreneurship and practical problem-solving** among students, aspiring entrepreneurs and young innovators. A total of **16 participants** from districts including Jabalpur, Shahdol, Balaghat, Surguja and Rewa participated in the programme.

The event was conducted under the guidance of **Dr. Ashu Jain, Director, Entrepreneurship Development Cell and Nodal Officer for MSME**, along with **Dr. Surbhi Jain** and **Mr. Prateek Bhatia**. The programme was actively coordinated by the student volunteers, including Aryaman, Mansoor, Mayank, Nidhi, Prashantika, Pooja, Priyani, Gungun, Aadhya, Ankita, Anshika and Kapil.

The participants presented innovative ideas addressing real-world challenges in diverse areas such as **Artificial Intelligence, agriculture, healthcare, renewable energy, education, robotics, automation and waste management**. The ideas were evaluated by a multidisciplinary panel comprising **Adv. Siddharth Shukla**, Principal Seat Advocate, Madhya Pradesh High Court, Jabalpur; **Dr. Pramod Chaitanya**, Head of Department and Assistant Professor, Department of Science; **Mr. Hradayesh Roy**, Ecopreneur and Founder & CEO, Kuchma Organics; and **Mr. Sachin Chourasia**, Branch Head and Regional Manager, SBI, Jabalpur.

The event was graced by **Dr. Fr. J. Ben Anton Rose, Principal, St. Aloysius' College**, who encouraged the participants and congratulated the previous year's winners for successfully securing an **MSME grant of ₹19 lakh**. His address served as an inspiration for the participants to further develop their innovative ideas.

The hackathon provided participants with valuable exposure to **idea pitching, expert evaluation, feasibility assessment and entrepreneurial thinking**. It also encouraged interdisciplinary collaboration and demonstrated how innovative ideas can be transformed into practical solutions with appropriate guidance and institutional support.

The programme concluded successfully with the active participation of students, faculty members, judges and aspiring entrepreneurs. Overall, **MSME Idea Hackathon 6.0** served as an effective platform for nurturing creativity, innovation and entrepreneurship among young minds and encouraging them to explore solutions to real-world problems.

REPORT ON AWARENESS SESSION

WORLD ENTREPRENEURSHIP DAY 2026

The **Entrepreneurship Development (ED) Cell**, St. Aloysius' (Autonomous) College, Jabalpur, in association with the **Institution's Innovation Council (IIC)**, organized an **Awareness Session on World Entrepreneurship Day 2026** on **Saturday, 22 August 2026**, from **12:00 PM onwards** at the **Conference Room** of the college. The session was attended by **95 students from different streams and semesters**.

The programme was conducted under the guidance of **Dr. Ashu Jain, Director, ED Cell**, with the coordination of **Miss Jagrati Ramrakhwani and Miss Esha**. The session featured two distinguished entrepreneurs as resource persons: **Engineer Swatantra Kumar Prajapati, Founder, Logical Lab Private Ltd.**, and **Mr. Hrishant Prajapati, Founder, Createshala Learning Solutions**.

The session focused on **entrepreneurial journeys, real-world challenges, innovation, perseverance, adaptability, teamwork and learning from failure**. Engineer Swatantra Kumar Prajapati shared his journey from mechanical engineering to entrepreneurship and discussed his work in the **solar energy sector**, particularly an innovative elevated structural solution aimed at optimizing space utilization for rooftop solar installations. He also shared his experience of overcoming procedural challenges and prolonged delays in securing project approvals and tenders.

Mr. Hrishant Prajapati shared his entrepreneurial journey from the field of teaching and grassroots community engagement to establishing his own venture in the learning sector. His experiences highlighted the importance of identifying real-world problems, understanding community needs and transforming practical observations into entrepreneurial opportunities.

Both speakers emphasized that **entrepreneurship has no single pathway** and that successful ventures require **persistence, teamwork, adaptability and a willingness to learn through experimentation and setbacks**. The interactive session provided students with valuable first-hand insights into the realities of building and sustaining an entrepreneurial venture.

The programme concluded with a **vote of thanks delivered by Miss Esha** to the resource persons for sharing their experiences and inspiring the students. Overall, the session successfully encouraged students to develop an **entrepreneurial and innovation-oriented mindset** and to view entrepreneurship as a practical and achievable career pathway.

The banner features the logos of St. Aloysius' College, the 75th anniversary of the institution, and the Institution's Innovation Council. It prominently displays the event title and date. Below this, it lists the guest speakers with their photos and titles. On the right, it provides contact information for the organizers and details about the event's timing and location.
