By the end of the Orientation Programme, each participant is requested to prepare and submit a brief Academic Action Plan to the IQAC by 8th August 2026. The action plan should include:

- *One teaching innovation to enhance classroom effectiveness and student engagement.*
- *One Outcome-Based Education (OBE) and assessment practice to be implemented in a course.*
- *One research, innovation, publication, patent, or professional development goal for the academic year.*
- *One initiative to promote the values and academic culture of St. Aloysius College.*
