

National Mathematics Day

“Without Mathematics there’s nothing you can do.

Everything around you is mathematics.

Everything around you is numbers.”

The department of Mathematics of St. Aloysius college (Autonomous) Jabalpur, organized an event on 22nd December 2021 on the occasion of National Mathematics Day.

On 22nd December 2021 various competitions were held which included speech competition and poster competition. Speeches were on the famous Indian Mathematicians and a total of 20 students participated in the competitions and the posters were also based on Indian mathematicians. All the students gave their full contribution and made this event successful.

After the competitions the newsletter for 2021 prepared by the final year students was released by the HOD’s and the faculty of mathematics. The event ended with the valuable words and guidance of The HOD of mathematics department Dr. Mandira Kar and the Dean of physical sciences Dr. Mita Darbari. The event completed successfully with the combined efforts of the students and the faculty of Department of Mathematics.
