Gandhi Jayanti celebrated on 2nd oct.
POSTER COMPETITION

Embarking the death anniversary of Mahatma Gandhi which is witnessed as Shaheed Diwas in India, the Department of History St. Aloysius' College Jabalpur organized a poster making competition on January 28, 2021. Visual depiction of young ideas is an enriching more interactive way to inculcate the importance of these days and the significance of such personalities in the subconscious of the students.

The theme for the posters was "Mahatma Gandhi and the Indian National Movement" and it was very well followed by all the participating students. The competition was judged by a panel of three judges Dr. Femina, Dr. Tuhina Johri and Dr. Manju Maria Solomon. The competition took place online and each participant was given 3 minutes time to show their creative artwork and explain it.

More than 15 students participated among which three were chosen as winners and everyone received a participation certificate. The participants created the scenic depiction of Non-Cooperation Movement, Salt March etc in their posters.

The competition was a success and was indeed highly interactive. Vaishnavi Singh B.A. Final Year assisted in managing the competition under the guidance of Dr. Manju Solomon Head, Department of History and hosted the event. The day concluded on a vote thanks by Jahnvi panjwani.
