Target group: UG Students of Botany.

Objective: To increase concern for Environmental protection

Outcome: An attempt which changed behaviour of target audience for environment.

Report

On the occasion of pollution control day, an awareness program on water pollution was organized by the Department on 3rd December 2022. The students created awareness amongst natives and visitors about water pollution through posters and slogans at Gwarighat, Narmada river, Jabalpur. 40 students of Botany participated in the drive by contributing thought provoking slogans and eye catching posters on water pollution causes, effects and remedies. The interaction of students with the people created a positive environment for motivating people not to pollute water and to communicate the same message to others.
