Report:

The Department of Commerce, to mark the beginning of New Year by organizing a special event called "Joy of Giving" on January 16, 2022. The purpose of this event was to spread joy and make a positive impact on the community. As part of this initiative, faculty members and students from the department visited "ASHADEEP," a special school catering to mentally challenged children. During the visit, the students engaged with the children by organizing various games and fun activities. The focus was not only on providing entertainment but also on creating a joyful and inclusive atmosphere for the children. The activities were carefully chosen to suit the needs and preferences of the mentally challenged individuals, ensuring that everyone could participate and enjoy. In addition to the engaging activities, the

Department of Commerce demonstrated its commitment to community welfare by making generous donations.

The learning outcomes of the Programme were as follows:

- Students will develop a deeper sense of empathy and understanding for individuals facing mental challenges.
- Enhance leadership, teamwork, and communication skills.
- Engagement in the community, demonstrating a heightened sense of social responsibility.
- Experience personal growth through diverse interactions and experiences.
- Embrace philanthropic values, recognizing the significance of contributing to society.
