**Overview/Objectives:** To make our given emplacement free from the simultaneous use of plastic polythene bags and to start embracing bags made from newspaper.

**Report:**

UG Students of St. Aloysius College visited a village in *Khamariya* to spread awareness and quoted: **“DON’T BE DRASTIC, SAY NO TO PLASTIC”** and laid out awareness of using paper bags breaking through the consecutive use of plastic bags. We also made them aware of the fact that they can earn both wealth and health by making an effort towards this practice. We taught the ladies of the rural area to make paper bags, about 10 ladies living in the area participated. With the coordination of *Mr. Soumik Adhikari*, this programme was a success.

**Faculty Name:** *Ms. Mala Das*
