OBJECTIVE

- To promote cleanliness and hygiene in the assigned location.
- To spread awareness about waste management and sanitation.
- To encourage students to take responsibility for
Community service.

REPORT

- Our ISR team visited the assigned location on the scheduled day.
- Started with a short briefing about the importance of cleanliness.
- All students participated actively, equipped with gloves, masks, and garbage bags.
- Collected litter, segregated biodegradable and non-biodegradable waste.
- Properly disposed of the waste in designated areas.
- Interacted with local residents to spread awareness about reducing plastic use and maintaining hygiene.

OUTCOME

- The area became visibly cleaner and organized.
- Local residents appreciated and supported the initiative.
- Students gained practical experience in teamwork and social responsibility.
- Awareness about cleanliness and waste segregation was successfully spread.

CHALLENGES FACED

- Lack of proper waste bins and disposal facilities.
- Some residents were less cooperative initially.
- Limited time to clean the entire area thoroughly.
- Requirement of more tools and equipment for larger scale impact.

CONCLUSION

- The cleanliness drive achieved its objective successfully.
- Both students and residents understood the value of collective effort.
- Despite minor challenges, the activity created a positive impact.
- It reinforced the message that maintaining cleanliness is everyone's responsibility.
