ST. ALOYSIUS' COLLEGE, JABALPUR
OUT-REACH PROGRAMME
SESSION 2025–26

Programme Theme: Awareness Program on Cyber Crime
Duration: 1 Day
Date: 17th January 2026
Number of Faculty Participants: 1
Number of Student Participants: 3
Mode of Activity: Offline / Onsite
Venue: Ekirit Shaskiya Vidyalaya, Khamariya

OBJECTIVE

• To create awareness about cyber-crimes among students.
• To educate students about safe and responsible internet usage.
• To inform students about different types of online frauds.
• To promote digital safety and cyber security practices.

REPORT

The Awareness Program on Cyber Crime was organized at Ekirit Shaskiy Vidyalaya, Khamariya as part of the Out-Reach initiative. The faculty member along with student volunteers conducted an informative session for school students.

The session covered important topics such as online frauds, phishing, identity theft, cyber bullying, and safe use of social media platforms. Students were guided on how to create strong passwords, avoid sharing personal information online, and identify suspicious links or messages.

Real-life examples were shared to make students understand the seriousness of cyber crimes. The programme was interactive, and students actively participated by asking questions and sharing their experiences.

The session emphasized the importance of reporting cyber crimes and staying alert while using digital devices.

OUTCOME

• Increased awareness about cyber safety among students.
• Students learned preventive measures against cyber crimes.
• Encouraged responsible use of social media and internet.
• Enhanced students' confidence in handling online platforms safely.

CONCLUSION

The Awareness Program on Cyber Crime was successfully conducted. The programme proved to be informative and beneficial for students in today's digital age. It helped in building awareness and promoting safe digital practices among young learners.
