-

REPORT

The Copies Distribution programme was organized at Ekirit Shaskiy Vidyalaya, Khamariya as part of the Out-Reach initiative. The faculty member along with student volunteers visited the school and distributed notebooks to the students.

The programme aimed at helping students who face difficulty in purchasing basic study materials. The distribution was carried out in an organized manner. Students were gathered in the classroom, and copies were handed over individually.

During the interaction, students were motivated to use the notebooks regularly for maintaining neat and complete classwork and homework. The session also included a brief discussion on the importance of education and discipline in studies.

The activity created a positive and supportive learning environment in the school.

OUTCOME

- Students received essential study material.
 - Encouraged students to attend school regularly.
 - Boosted students' motivation towards studies.
 - Strengthened the bond between college and school community.
