Feedback on Skill Development/Add-On Courses

Please provide your feedback of the skill development/add on course attended by you on the following parameters:

ITR

(a) **Course Content**

Better

(b) **Duration**

(If according to you the duration of the course is appropriate or needs any change)

It must be extended.

(c) **Methodology of Implementation**

(Your comments on method to impart knowledge and skill in the course)

Online classes, weightage must be more.

(d) **Skill Enhancement**

(Your comments on the extent to which the course helped in enhancing your skill in the particular field)

It was helpful in tax filling returns.

(e) **Any other Suggestion on improving the course**

1) *Professional persons or practitioners like Chartered Accountant, Income Tax Advocate etc.*

2) *Training must be provided under their guidance for practical enhancement of ITR.*

Thank You

①

- The Teachers are very good. They Taught us very well about the subjects & give proper knowledge about each and every topic.
- The mock Interview which they have taken on online basis is very profitable for us and help us in future.
- The mock test they give us which consist of 100 questions is very good as they try to test the true level of children that how good they are.
- The CPBFI course is very helpful to provide the whole knowledge about the financial sector. and one should opt for it.

②

- The CPBFI Teachers provided us the most useful knowledge. The learning journey with them was full of new subjects knowledge, activities conducted with fun and decent execution of real life activities.
- The HR workshop which was conducted by the honourable HR, proved to be useful to us we now can confidently face the real interview and got some idea how to sit and face it. Also he then & there explained that how the question can be answered. The feedback part given by him, helped me to know the area of improvement.

5. What do you like about the course?

Introduction of Python and JS has made students aware about the new industrial technology. There are more practical subjects as compared to theory subjects (Practical skill development). As BCA is a professional course, it contains subjects related to Personal and Professional development of pursuing students.

6. Kindly suggest measures/topics for curriculum enrichment on the following parameters-

(a) Skill Enhancement
More practical lectures are needed with teacher's assistance to enhance one's skills. There's a need to focus on practicality of the subject rather than theory part.

(b) Entrepreneurship
We must be provided with atleast 2 industry-visits per year.

(c) Employability
Classes related to industry-interviews, personality development must be provided on a weekly basis to increase the results.

(d) Cross cutting issues (Like Gender, Environment Sustainability, Human Values and Professional Ethics)

(e) Any other suggestions

- 1)
- 2)
- 3)

FEEDBACK

NAME OF THE STUDENT: LISA ALEXANDER

NAME OF THE COURSE: BASIC COURSE IN FRENCH LANGUAGE

ORGANISING DEPARTMENT: ENGLISH

SESSION: 2019-20

The French course conducted in 2019-2020 during my B.A. 2yr was incredibly enriching and beneficial. The astonishing teaching style and expertise in the language of our French Educator Ms. Neha Mahawar made the learning experience enjoyable and effective. The structured curriculum, supplemented by various learning materials and exercises, greatly facilitated my understanding and proficiency in French.

Furthermore, the opportunities provided for interactive sessions and group discussions, and cultural insights. It significantly enhanced my grasp of the language beyond mere vocabulary and grammar but have also deepened my appreciation for French culture and society. The examination, although challenging, accurately assessed our comprehension and application of the concepts taught throughout the course. Overall, I am grateful to for the opportunity to have been part of the French course, which undoubtedly contributed to my growth and confidence in the language.

"Innovative Zoological practices"
(Session 2019 – 2020)
(19th August - 20th November, 2019)
Feedback of Participants**

1. How was the course content of the Certificate course -

- a) Excellent
b) Very Good
c) Good
d) Satisfactory

2. The Practical concept given were :-

- a) Excellent
b) Very Good
c) Good
d) Satisfactory

3. The time duration was :-

- a) Too long
b) Too Short
c) Appropriate

4. What did you gain from the exercises given during Certificate course:-

Information about various Biological Equipments
& Techniques.

5. Any other opinion/suggestions-

Skill Development to start right after course etc.

Certificate Course on Plant Tissue Culture

2019-20

Feedback tags

Priyanka Kumari

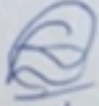

This certified course on plant tissue culture provides me comprehensive training with the principle of and techniques of cultivating plant cells, tissues and organs in a controlled environment. This course helps to develop a solid understanding of tissue culture principles essential for research and industry applications. Overall my experience is very good and I feel very glad to do that I did this course.

Kokila Pandey:-

Plant tissue culture helps us to see the nutrient status of the plants as well as it helps us to analyse the unseen deficiencies in the plant. This certificate course provides hand on training for the research and study purpose. Over all my experience was very good, I learnt a lot of things while doing this certificate course.

Tanisha Marohare -

Apart from their use as a tool of research, plant tissue culture techniques have in recent years become of major industrial importance in plant improvement and its production.

LATEX - 2019 - 20

LATEX software help a lot in mathematics as it is very beneficial for ppt presentations and also helps in research paper. LATEX software provide document in proper and well format.

LATAX - 2019 - 20

LATAX is a software which is used for a research papers.

it is used to represent the maths equations. it is also good for ppt presentations.

Research paper writing.

it provides the document in the proper form.

Certificate course- Historical Tourism Destination Management

FEEDBACK REPORT

Students Feedback Analysis

- Most of the students are satisfied with the relevance and academic standard of the course.
- Around 60% of the students agree that the course meets the desired course outcome and program specific outcomes
- Majority students agree that the Value added course offered by the department of History is helpful in the enhancement of employability skills in the tourism sector in India.

Alumnae Feedback Analysis

1. The prescribed syllabus is informative and suitable to further career/higher studies.
2. The Course content caters to the intellectual demands and capabilities of students and encourages self-learning.
3. The expected Programme and Course Outcomes are achieved after its completion.
4. The Add on Course impart necessary marketable skills.

Teachers Feedback Analysis

- Teachers strongly agree that the courses are up to date. They also strongly agree that the syllabus caters the CO and the complementary courses are relevant. More than 70% of teachers agree that the programme have sufficient components for experiential learning.
