SESSION: 2021-22

Before I share my experience about the online certificate course I want to thank our college St Aloysius (Autonomous), Jabalpur for offering us such a great learning platform even when it was not possible for anyone to cater any educational program.

I want to thank our teachers, guide and mentor Dr. Mary Raymer and Mrs. Meeta Agarwal for making this course much easier for us through her knowledge and experience. The course was a great step for polishing our language skills and it also helped us in boosting our confidence because language is the key for any profession and especially for a teacher. The way the teachers presented the topics was amazing and has explained well. This course was a great initiative for boosting and strengthening our knowledge and skills.

SESSION: 2021-22

The German language course that I attended (2021-2022) organized by the department was good. The Facilitator's methodology used for imparting the knowledge was really good. Though German is not everyone's first language but she made it very easy through her teaching style. She used to share her personal experience with German language in between classes which somehow motivated and also kept the session from being monotonous and boring. All in all the session was wonderful. I am grateful to Madam and the department for this opportunity.

MATLAB - 2021-2022

मैटलैब, जिससे मैंने बहुत कुछ सिखा। मुझे वह असाइनमेंट भी पसंद आए जिसके लिए हमें फायदा मिला। कभी-कभी किताब पढ़ने के अलावा लेखों से मुझे उस भ्रष्टाचार के विषय के बारे में बेहतर विचार और समझ मिलती हैं। यह मुझे बहुत पसंद आया।

MATLAB 2021-22

(Feedback)

मैटलैब एक बहुत ही फायदेमंद और अच्छा कोर्स था जिसके अंतर्गत हमने बहुत सी चीजें सीखीं। अध्यापकों ने भी हमारी बहुत सहायता करी थी। उन्होंने हमें चीजें अच्छे से समझाने के साथ-साथ हमारी परीक्षा भी ली ताकि हम जान सकें कि हम कहाँ हैं। ये मजबूत करने के साथ-साथ आगे काम आने वाला था।

Feedback regarding the Certificate course on “Characterization Techniques in Material Science”.

I, Agnish Chatterjee, a student of St. Aloysius College (Autonomous), Jabalpur, was able to take this course at the Department of Physics. This certificate course on Characterization Techniques in Material Science was, completed during my college tenure and was immensely beneficial. It equipped me with a substantial understanding of the various techniques and applications in the research of nanoparticles. This knowledge has been instrumental in advancing my academic and professional pursuits in the field.
