Feedback (Water Quality Monitoring) 2022-23

We visited to Narmada Cyclotone factory, where we studied how to manage the water quality standard before disposal to the open environment.

Also we visited to Gaurighat and collect water sample and also <sup>with</sup> local people and tell them about major problem and solution to keep Narmada water in high quality standard.

The experience and practical knowledge help to increase the skill and knowledge about main course. I am performing and it will help in future. It was a very good experience for our.

## Feedback (Water Quality Monitoring course) :- 22-23

→ The experience of WQM course was very much good, we got knowledgeable teachers.

Also we got good hand on new skills and also the practical experience of the course.

We got chance to ~~visit~~ go for a industrial visit. We got knowledge about ~~how~~ how Narmada Gelatins Factory manages the water quality standards before disposal to the open environments.

Also, a visit to Gauri Ghat for the water sample collection, discussed with the local people about the cause + solution of keeping Narmada water clean.

The experience + practical knowledge helped to increase the in hand skill + knowledge about the ~~main~~ course ~~is~~ I am pursuing and it will help me in future.
