With the help of teacher coordinator each group expressed their views, discussed and shared their experiences on the global platform. Certificate Programme in Banking, Finance and Insurance (CPBFI) BATCH PERFORMANCE REPORT

3. Attendance Details

Course	Attendance %	Attendance Slab	% of students
Overview of Retail Banking	80.00	Below 65%	0.00
Overview of Insurance	80.93	65 – 75%	29.27
Communication and Workplace skills	79.08	75 – 85%	34.15
		Above 85%	36.59
Total	79.82	Total	100.00

Attendance is driven by (1) certification eligibility criteria (CPBFI requires minimum 65% attendance), (2) training quality, which is a combination of trainer's command over subject, the pedagogy used and students' participation and (3) students' willingness and ability to attend. Non-availability of infrastructure and mandatory college events or family events have a big influence on students' ability to attend.

4. Performance in online Assessment Tests – Average Scores

Course Name	Scores before training	Scores after training	Improvement
Overview of Retail Banking	54.64	69.00	14.36
Overview of Insurance	44.14	61.43	17.29
Communication and Workplace skills	56.86	63.29	6.43
Total	50.89	64.83	13.94

Performance in online assessment tests is driven by the attendance and attentiveness of the students and by the training quality of CPBFI trainers. Students with higher attendance typically perform better than others.

5. Performance in HR Workshop Interviews

	Attended	Shortlisted	Success Rate %
Participation and success	43	39	90.70

A HR Workshop is conducted at the end of every batch, wherein recruiters from Bajaj Finserv and its subsidiaries, interview candidates for specific roles in BFSI industry. The recruiters shortlist candidates based on these interviews and provide us a list of candidates that they believe have a very high chance of being selected in a job interview. This independent assessment by professional recruiters is a good 'lead' indicator of employability.
