DST-FIST Supported & Star College Scheme by DBT.

i) Skill Enhancement*

Strategic thinking, market analysis, effective communication, and adept customer interaction are all honed through marketing management, crucial elements for achieving success in fast-moving, cutthroat corporate domains

ii) Entrepreneurship*

The success of entrepreneurs is contingent upon merging strategic foresight with professional demeanor, as adept leaders navigate uncertainties, prioritize ethical conduct, and inspire collaborative excellence within their teams.

iii) Employability*

Through the cultivation of analytical, quantitative, and data-driven decision-making skills, business statistics enhances individuals' employability, positioning them as valuable assets in various industries and professional settings.

iv) Cross cutting issues(Like Gender, Environment Sustainability, Human Values and Professional Ethics)*

Business statistics enhances employability by equipping individuals with analytical, quantitative, and data-driven decision-making skills, making them valuable assets across diverse industries and professional environments.

v) Learning objectives and organization of course*

Nice and Achievable
