Kindly rate & suggest measures/topics for curriculum enrichment on the following parameters:

i) Skill Enhancement *

Gaining insight into crucial skills utilized in waste management sectors is advantageous for Students

ii) Entrepreneurship *

Skill improvement grants students a competitive advantage in diverse sectors, whether governmental or non-governmental.

iii) Employability *

Developing skills and entrepreneurial ventures boosts the potential for employment in sectors with lucrative incomes.

iv) Cross cutting issues(Like Gender, Environment Sustainability, Human Values and Professional Ethics) *

The institution prioritizes addressing cross-cutting issues such as gender equality and environmental sustainability to foster a healthy atmosphere for students.

v) Learning objectives and organization of course *

Objectives are well framed according to the syllabus
