World AIDS Day Celebration 1st December 2023

With the aim to encourage everyone to eliminate the disparities and inequities that create barriers to Human Immunodeficiency Virus (HIV) testing, prevention, and access to HIV care, SAC organized a guest lecture on World's AIDS Day on this Year's theme "Let Communities Lead". While interacting with the students, **Dr. Raza Kehkashan**, Obstetrician and Gynecologist said that Acquired Immune deficiency Syndrome (AIDS) is one of the deadliest pandemics in history. India has about 2.47 million people living with HIV and approx. 66000 new cases recorded last year. Today, there are laws protecting those living with HIV, there have been scientific improvements in HIV therapy, and we know a lot more about the disease.
