DST-FIST Supported & Star College Scheme by DBT.

## Digital Library

The digital library at St. Aloysius' College is a valuable resource for students, featuring a large collection of previous years' question papers and diverse e-content. This digital repository enhances learning by providing easy and immediate access to essential academic materials, supporting both current study and exam preparation. Digital libraries like this are crucial in modern education as they offer 24/7 access to resources, facilitate remote learning, and ensure that students can always reach the latest and most relevant academic content. This accessibility is particularly beneficial in fostering a more flexible and inclusive educational environment. During the COVID-19 pandemic, digital libraries played a pivotal role in ensuring continuity in education and access to information amidst widespread lockdowns and social distancing measures.

**College Digital Library is Moodle Based | Version-3.9.2(Build: 20200914)**
