## CRITERION-5

### STUDENT SUPPORT AND PROGRESSION

Key Indicator – 5.1

Student Support

Metric No.: 5.1.3

Capacity Development and Skills Enhancement  
Activities

Document Name

Awareness of Trends in Technology  
(2019-2020)

# ST. ALOYSIUS' COLLEGE

(AUTONOMOUS), JABALPUR (M.P.)

Reaccredited 'A+' Grade by NAAC (CGPA 3.68/4.00)

College with Potential for Excellence (CPE) by UGC

DST-FIST Supported & Star College Scheme by DBT

## INDEX

### AWARENESS OF TRENDS IN TECHNOLOGY

S.No.	Activity
1	Two days Workshop on Fourier Transform Infra red Spectroscopy : Scientific and Societal Application
2	Interactive Programme : Biosphere Ke Naye Aayam
3	Awareness of new Technology among students
4	Workshop on "Cyber Security Basics
5	Workshop on "Internet of Things(IoT)"
6	Paricharcha on topic "Effect of Computer in 21st Century on Youth"
7	DOEACC "O" Level Software Course
8	Computer Literacy Program
9	Internship/ Training on WordPress
10	Diploma in Computer Operator
11	Student Webinar on Gandhian Value
12	Virtual Guest Lecture on Cloud Computing

## Department of Chemistry Workshop

Workshop Organized- A two days' workshop was organized by the department on "Fourier Transform Infrared Spectroscopy: Scientific and Societal Applications", 27<sup>th</sup> -28<sup>th</sup> September, 2019. The technical and practical sessions were designed specially to impart "Hands on training" and "Learning by doing", for students. There were 91 students were participated.

## Brochure

### ST. ALOYSIUS COLLEGE

(AUTONOMOUS) JABALPUR, M.P.

St. Aloysius College strives for holistic development through excellence in academics, character formation and developing a scientific temperament, thereby opening new avenues for enriching life. The college has marched continually towards excellence and qualitative betterment in every realm. In the third cycle of assessment by NAAC in 2017 another goal was accomplished as the institution retained its top ranking position amongst all 2government and private colleges of Madhya Pradesh with 'A+' grade with a CGPA of 3.68/4.00. The college has been the proud recipient of "College with Potential for Excellence" by UGC and is also DST-FIST supported. The motto of the college *Virtus in Arduo* 'Strength through Striving' has inspired the Aloysian fraternity to overcome barriers through constant perseverance.

### DEPARTMENT OF CHEMISTRY

The chemistry department was established in the year 1951 with the motto "Soar High Seagulls". The department envisions to cater to the development needs of the learners by visualizing their potential and nurturing it. This is achieved by providing quality education and maximizing learning by providing a suitable, challenging and innovative research environment. The vision and mission of the department are based on the core values given by NAAC i.e., contribution to the national development, inculcating a value system among students, promoting use of technology and fostering quest for excellence. St. Aloysius college is celebrating, 2019 as the "year of skill development", and in this sequence of events, the department is organizing a two-day workshop on "Fourier Transform Infrared Spectroscopy: Scientific and Societal Applications."

The organizers of the Workshop and the entire Aloysian fraternity cordially welcomes you to attend the workshop on FTIR: SSA 2019.

### ABOUT THE WORKSHOP

A two day workshop on "Fourier Transform Infrared Spectroscopy: Scientific and Societal Applications (FTIR: SSA 2019)" is organized with the aim of acquainting the students and practicing researchers in experimental science about the potential of FTIR spectroscopy, both in theory and practice, in solving day-to-day problems as are witnessed frequently in laboratory or in daily life. The Workshop offers a succinct but comprehensive account on the underlying principle of the technique, and its application in diverse areas of scientific and societal implications. The subject matter will be presented by friendly scientific deliberations, and by vivid and interactive demonstrations by experts in the field.

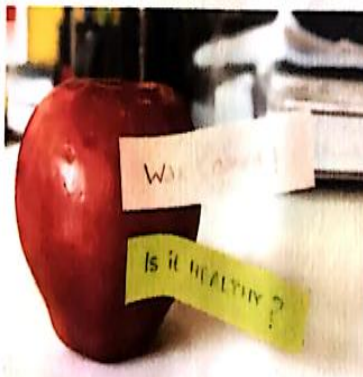

#### Schedule:

Day I begins at 10.00 AM. Inaugural Function/Lecture Session/Demonstration

Day II begins at 10.00 AM. Lecture Session/Demonstration

### WHO CAN ATTEND

Research scholars and postgraduate students in any discipline of science from colleges and university. Since the topic is highly specialized, a limited number of participants (maximum 40) would be entertained. The prospective applicants shall be notified.

#### Registration Fee:

PG Students: Rs. 400/-

Research Scholars: Rs. 600/-

(Registration Fee includes, tea and working lunch)

### REGISTRATION DETAILS

Mode of payment of Registration Fee:

Demand Draft in favor of The Principal,

St. Aloysius College, Jabalpur

Bank details for NEFT/Online Transfer:

Beneficiary Name: The Principal

St Aloysius College, Jabalpur

Bank Name: Canara Bank

Bank Address: J R Sama Complex, 78, Katan;

Jabalpur

Account No.:5201214000008

Account Type: Current Account

IFSC Code: CNRB0005201

#### Note:

Please download the PDF Registration Form college website ([www.staloyusius.ac.in](http://www.staloyusius.ac.in)) email/WhatsApp/deliver by hand to Convener.

Participants are required to send the copy bank transfer/payment details along with Registration Form.

## INTERACTIVE PROGRAMME: BIOSPHERE KE NAYE AAYAM

2019-2020

**Target Group:** XI and XII class students of K.V. No. 1, GCF, Jabalpur

**Faculty:** Mrs. Paroha and Mr. Sisodiya

**Date:** 10<sup>th</sup> July 2019

### Objective:

1. To create Awareness about the career in Bioscience.
2. Hand-on fundamental tools and techniques in Botany.
3. Hands-on Fundamental tools and techniques of Microbiology.

**Topic:** Staining of plant material, Bacterial Staining, Fungal staining, Blood Group detection, Demonstration of Instruments.

### REPORT

Department of Botany and Microbiology, St. Aloysius College (Autonomous) Jabalpur, organized on Interactive Programme on “BIOSPHERE KEN AYE AAYAM” for the students of Kendriya Vidhalaya No.1 GCF, Jabalpur. Principal Fr. G.Vazahan Arasu. Motivational lines for the students gave strength for opting bioscience as a future career. Since this stream has many more options other than medical sciences. Dr. Shikha Bansal HOD elaborated about the prospects of Bioscience in agriculture, industries, pharmaceutical companies and dairies etc. all the 35 students of XI and XII were given the hands-on training individually on the fundamental and basic techniques of botany and microbiology. Dr. Mamta Gokhale and Dr. Femina Sobin briefed the students about the job and CIL equipment.

### Awareness of Trends in Technology

#### REPORT

#### SESSION 2019-20

##### Title:

Awareness of Trends in Technology Session held from 9<sup>th</sup> – 16<sup>th</sup> December 2019.

##### Introduction:

The GST TALLY course Workshop conducted at St. Aloysius College (Autonomous) by Department of Tax Procedure & Practice in Collaboration with Department of Computer Application. It aimed to equip faculty and teachers with practical skills and knowledge in using Tally, a popular accounting software, for managing Goods and Services Tax (GST) compliance, its implications, and its applications in the business world. The workshop, organized was held over a period of seven days and included interactive sessions, practical demonstrations, and hands-on exercises.

##### Session Overview:

A course on GST in Tally typically covered how to manage GST compliance using Tally, which is a popular accounting software widely used by businesses for financial management. The session comprised presentations, discussions, and interactive activities designed to address the needs and concerns of enthusiastic students. It covered topics such as introduction, overview of GST TALLY, GST transactions, practical exercise and case studies for better understanding of the topic.

##### Objectives :-

1. To familiarize attendees with the functionalities of Tally software for GST compliance.
2. To provide practical insights into recording GST transactions, generating GST-compliant invoices, and filing GST returns using Tally.
3. To enhance students' proficiency in using Tally software for GST accounting and tax management.

## Department of Computer Science

### Workshop on "Cyber Security Basics"

The Department of Computer Science conducted a workshop titled "Cyber Security Basics" on October 1st, 2019, with Mr. Ankit Dubey, Assistant Professor delivering an insightful lecture. The workshop aimed to enlighten participants about fundamental concepts and practices in the field of cyber security. Mr. Dubey's lecture provided attendees with valuable insights into the importance of safeguarding digital assets and mitigating cyber threats. Through interactive discussions and practical demonstrations, participants gained a deeper understanding of various cyber security principles and techniques. Overall, the workshop served as a valuable platform for enhancing awareness and knowledge about cyber security among the attendees, equipping them with essential skills to navigate the ever-evolving landscape of digital security.

## Department of Computer Science Workshop on "Internet of Things (IoT)"

The Computer Science Department r held a workshop on "Internet of Things" (IoT), teaching people about this exciting technology. They talked about how IoT works, what it's used for, and what challenges it faces. Attendees got to try out some hands-on activities to learn more about how IoT works in real life. The workshop was led by experts who explained how IoT is used in different areas like cities, healthcare, and farming. By the end, everyone had a better understanding of how IoT is changing the world and how they can be a part of it. It was a great chance for people to learn new skills and get inspired by the possibilities of IoT. Total No. of Students: 32

## Notice

Attention: All Students

This is to inform all students that the Department of Computer Science at St. Aloysius College (Auto.), Jabalpur, is organizing a workshop on "Internet of Things (IoT)" from December 16th to December 17th, 2019. The workshop aims to introduce participants to the exciting field of IoT, where everyday objects are connected to the internet to enable data exchange and automation.

Date: December 16th to December 17th, 2019

Venue: Computer Science Lab

Interested students are requested to register their names at the Department of Computer Science office before December 8<sup>th</sup>. Limited seats are available, so early registration is encouraged.

For further details and registration, please contact Department of Computer Science.

## Department of Computer Science

### Paricharcha on topic "Effect of Computer in 21st Century on Youth"

On November 27th, 2019, we had a discussion called Paricharcha about how computers affect young people in the 21st century. It was attended by BCA students, and there were 85 of us in total. We talked about how computers are really important in our lives, but some of us also mentioned that they can have bad effects on our health. It was a chance for everyone to share their thoughts and ideas about the topic.

## Notice

Paricharcha on topic "Effect of Computer in 21st Century on Youth"

Date: December 27<sup>th</sup> November, 2019

This is to inform all students that the Department of Computer Science is organizing a Paricharcha (discussion) on the topic "Effect of Computer in 21st Century on Youth." The event will take place on November 27th, 2019, at the Computer Science department.

The discussion aims to shed light on the influence of computers on today's youth and their lives in the 21st century. We encourage all interested students to participate actively and share their thoughts and insights on this important subject.

Date: November 27th, 2019

Time: 11:30 am

Venue: Computer Science Department

Your presence and active participation in this discussion are highly encouraged.

## Department of Computer Science

### DOEACC Course

Starting from the 2019-20 academic year, St. Aloysius College became a recognized center for the Software O Level DOEACC course, certified under MeITY and MHRD. The course began on September 9th, 2019, with 26 students from different streams in different college. It takes place in the Computer Science PG Lab. This course helps students learn about software and improves their skills in this area. It shows the college's dedication to giving students a quality education and preparing them for careers in software technology.

## Department of Computer Science

### Internship/ Training on WordPress

Between May 25th and June 3rd, 2020, we had a 10-day internship/training session all about WordPress, a tool for making websites. It was held on the Zoom app and was led by Ms. Anjali Jagwani, with Mrs. Khushbu Gupta coordinating everything. A total of 78 students joined in, and each day's session was from 9:00 to 10:00 in the morning. During the training, we learned how to create and customize websites using WordPress, which is really useful for lots of different projects. It was a great opportunity for us to learn new skills and get better at making websites.

## Department of Computer Science

### Diploma in Computer Operator

The Computer Science Department held a one-year diploma course in the Computer Operator program, and 70 people joined in. This program taught basic computer skills like typing, managing files, and using common software. Participants got hands-on practice to become good at using computers. By the end, they all got certificates showing they had learned these important skills, which could help them find jobs in today's digital world.

## Notice

### Diploma Course on Computer Operator

The Department of Computer Science is pleased to announce a Diploma Course on Computer Operator, open to students from all streams. This course aims to equip participants with essential computer operation skills to enhance their proficiency in today's digital age.

Details of the Course:

Course Title: Diploma Course on Computer Operator

Eligibility: Open to students from all streams

Conducted by: Department of Computer Science

Course Coordinator: Mr. Amit Yadav

Interested students are encouraged to register for this valuable opportunity to enhance their computer skills and broaden their career prospects. For registration and further information, please contact Mr. Amit Yadav, the course coordinator.
