Vocabulary Booster Activity by Book Review

Date : 3rd to 23rd December 2020.

Book Review Competition was to inculcate the reading habit among student and to help enhance the thinking, analysing and summarizing capacities of Students. By creating the book review contest, we encouraged readers to share impressions and recommend works they found admirable and captivating and address the issue of rediscovering works that may have become neglected, forgotten or marginalized in the digital age. This is done by reading and evaluating a given book, and summing it up in terms of how well it has been written and/or how well the author has handled the subject matter. A compelling review can inspire people to pick books they may not have chosen on the basis of their usual searching preferences. An inspiring review can become a literary design in itself, a new and intimate link between the content and the reader. The activity was organised by Dr. Pearly Jacob in offline mode. There were 75 participants in the activity.

The Winners were:

Manvi Shukla BBA II Year

Shruti Pandey BBA II Year

Prateek Khanna BBA I Year
