Personality development
SESSION 2021-22

Title:

Enhancing Students for personality development : Perception from a College personality development Session held on 23rd October 2021.

Introduction:

Personality development refers to the process of enhancing and improving various aspects of an individual's character, behaviour, attitude, and overall demeanor. The recent personality development session held at St. Aloysius College (Autonomous), organised by Department of Commerce focused on understanding oneself better, developing positive traits, and working on areas that need improvement.

Session Overview:

The personality development session aimed to make familiar students with oneself better, developing positive traits, and working on areas that need improvement, provide strategies for effective preparation, and offer insights into career opportunities in academic and research. The session was taken by Mrs. Snehal Malpani. The session comprised a series of interactive exercises, role-playing scenarios, and self-reflection activities aimed at fostering personal growth and enhancing communication skills.

One day Skill Enhancement Program

On

"Artificial Intelligence and its Future Trends"

One day skill development session for School and college students about 'Artificial Intelligence and Its Future Trends' on 5th February, 2022. The aim of this session was to make people aware about the upcoming future on AI where we would be surrounded by smart technologies. We were honored by the presence of Dr. Siby Samuel, Head of Department of Computer Science and IQAC coordinator SAC, Jabalpur. She enlightened us and showed us the upcoming future. Students were also engaging and had looked interested in the session. This event was conducted under the invigilation of Ms. Mala Das. Around 95 students registered for the event and 70% students should up on the day. Feedbacks were received by the participants and the feedbacks were just amazing which encouraged us to organize more such events. The session concluded on note that the future is going to be amazing and innovating and left to students to dreaming and creating some things helpful to humankind.

REPORT

A guest lecture on the topic "Invasive Plant Species and Our Environment" was organized by Department of Botany and Microbiology. The lecture was DBT-STAR Scheme sponsored. The lecture was held on 30th September 2021 at 1:00 PM to 2:00 PM. The online platform used was Google meet. Dr. Puja Ray, (Assistant Professor), Department of Life Sciences, Presidency University, Kolkata-INDIA was the resource person. Total 105 participants registered for the lecture via Google registration forms. Participants were from both UG and PG of our College.

The event began with a prayer by Dr. Femina Sobin followed by welcome note and introduction of the resource person by Dr. Sonali Nigam, Head, Department of Botany and Microbiology.

The resource person informed us that "Invasive species possess characteristic features like "pioneer species" in varied landscapes, tolerant of a wide range of soil and weather conditions, generalist in distribution, produces copious amounts of seed that disperse easily, grows aggressive root systems, short generation time, high dispersal rates, long flowering and fruiting periods, broad native range, abundant in native range". She used photographs of various species and local examples that made the lecture further memorable. She concluded by saying, "Invasive species cause harm to wildlife in many ways. On the other hand, there are direct and indirect threats of invasive species as well."

The programme concluded with a vote of thanks by Pratiksha Tiwari, M.Sc. III Semester (Microbiology). The program was successfully conducted by kind cooperation of faculty members Dr. Shikha Bansal, Dr. Mamta Gokhale, Dr. Durga Ray.

REPORT

The department celebrated **World food day** on 16th October 2021. On this occasion, an expert talk on Dietary oils and Health was organized so as to make people aware about the pros and cons for keeping good health.

The resource person for the talk was **Dr. Daniel Andrew Gidleon**, Assistant Professor, Bishop Heber College, Tiruchirapalli, Tamil Nadu. The target audience were the students of UG and PG (Botany, Industrial Microbiology and Microbiology). At the onset, HOD, Dr. Sonali Nigam welcomed the resource person and introduced him to the audience with the major achievements and field of interest of Dr. Daniel Gideon. Dr. Gideon was excellent in delivering his talk to the students. He very well explained the role of various oils in improving and spoiling the health conditions. He gave wonderful tips on the types of oils which shall be consumed and what not. Also he informed about the possibility of certain diseases due to wrong selection of edibles.

He very specifically addressed on today's generation's eating habits, the consumption of trans-fats, packaged and processed food and the possible problems associated with them. His talk highly inspired the audience to avoid all such toxic substances in our daily lives and switch towards a healthy life.
