Attention M.Sc. CS I Semester Students,

The Department of Computer Science is organizing an alumni interaction session for all M.Sc. CS I Semester students. This interactive session will provide a valuable opportunity for postgraduate students to gain insights from our esteemed alumni regarding their experiences during and after their postgraduate studies. Our alumni will share valuable information about their academic journey, job experiences, career advantages post-graduation, and the scope of their subject in the professional world.

Our esteemed alumni, Simran Patel, currently serving as a Developer at Infosys, and Shivam Sahu, working as a Tester, will be sharing their valuable experiences with us.

Date: 23-09-2023

Time: 11 am

Venue: CS LAB

We encourage all M.Sc. CS I Semester students to attend this session and make the most of this opportunity to learn from our successful alumni.

Department of Commerce Ad - Mad Show

St. Aloysius' college Department of Commerce organized an AD-MAD-SHOW for the B.Com students on 30th Sept 2023, wherein a product/Service/Brand was given in advance, and the students presented an advertisement for the same in a team of 5-6. Students were creative in their presentations and came up with some super interesting and hilarious advertisement ideas. Dr. Kiran Mishra and Dr. Archana Dubey judged the event and awarded the best two teams. The team that stood first had 5 students- who advertised creatively "A Perfume". The team that secured the second position also had 5 members who marketed an "Energy Bar" most innovatively and hilariously. Students got a platform to display their talent and originality by developing and performing drama, jingles, logos, etc. on "Ad-Mad Show." The competition for the Ad Mad show is a chance for the students who are participating to showcase their individual and group talents. The purpose of holding this competition is to give contestants a way to test their stage presence and creative abilities.

Webinar session for students on mastering Marketing Management

A webinar is being conducted for BBA students through online mode on 19/08/23 at 12:30 P.M. Mr. Kushal Joshi is the resource person and speaker from Dhister: India's best skill oriented school. 48 students have attended the session. He talked about the potential of youngsters who are burgeoning with great spirit and energy. He considered them to be the building blocks of our nation. They have ample opportunities to tap out and flourish in the unpredictable outside world but the only thing is they need to target their goals, plan out their career options in order to cover their journey of ambitions and success.

The Webinar circumvented around the embellishment on the ground of knowledge and learning about the various opportunities available in the Marketing field and the potentialities of students to overcome their fears and be able to ponder on their career growth.

DEPARTMENT OF BIOTECHNOLOGY

SESSION 2023-24

GUEST TALK ON

“BIOPROCESS DEVELOPMENT FOR INDUSTRIALLY IMPORTANT PRODUCTS”

Date and Duration: 27 January 2024 (one day)

Resource person: Dr. Tilottama Chowdhary

Target group: UG and PG students of Biotechnology

Objective: To impart knowledge about processes for development of industrially important products .

REPORT

The Department of biotechnology organized an offline expert talk on “Bioprocess Development For Industrially Important Products” on 27 Jan 2024.

The distinguished speaker of the programme was Dr. Tilottama Chowdhary, Assistant Professor, Science College, Jabalpur. She explained that bioprocess development requires to explore efficiently huge design spaces for specific bioproducts and involves efficient strain selection, bioprocess optimization, scale-up and optimal control strategies for reproducible industrial production.

About 35 students were present in the talk. The lecture was chaired by Principal Fr. Dr. G. Vazhan Arasu, St. Aloysius College, Jabalpur. The programme concluded with a vote of thanks by Dr. L. K Pandey, HOD, Department of Biotechnology. The programme was successfully conducted by kind cooperation of faculty members Mr. Enosh Philips, Mr. Nitin Swamy, Dr. Rumana Faraz and Dr. Anisha Rupashree.

FACULTY EXCHANGE PROGRAMME

“INTRODUCTION TO PHYLOGENETIC ANALYSIS”

Date and Duration: 16 September 2023 (one day)

Resource person: Dr. Ajay kumar Bhardwaj

REPORT

The Department of biotechnology organized an online expert talk on “Introduction to Phylogenetic Analysis” 16 September 2023.

The distinguished speaker of the programme was Dr. Ajay kumar Bhardwaj, Professor (Botany), Institute for Excellence in Higher Education, Bhopal, M.P. He explained that the tips of a phylogenetic tree can be living taxa or fossils, and represent the "end" or the present time in an evolutionary lineage. Phylogenetics is component of systematics that uses similarities and differences of the characteristics of species to interpret their evolutionary relationships and origins. Phylogenetics focuses on whether the characteristics of a species reinforce a phylogenetic inference that it diverged from the most recent common ancestor of a taxonomic group.

About 40 students were present in the talk. The lecture was chaired by Principal Fr. Dr. G. Vazhan Arasu, St. Aloysius College, Jabalpur. The programme concluded with a vote of thanks by Dr. L. K Pandey, HOD, Department of Biotechnology. The programme was successfully conducted by kind cooperation of faculty members Mr. Enosh Philips, Mr. Nitin Swamy, Dr. Rumana Faraz and Dr. Anisha Rupashree.

Celebration of International Microorganism Day

Report

Department of Botany and Microbiology celebrated International Microorganism Day from 11th to 16th September. The date 17th September is annually celebrated by microbiologists as International Microorganism Day. This day brings an opportunity to encourage people to recognize, celebrate and promote an understanding of the diversity and variety of microscopic organisms which are crucial in human health, culture, economic activity, employment and, throughout our daily lives. The programme was a week-long affair, in which several competitions were held, which are as following: Doodles on agar, Memes on lab culture, Reel it feel it (reel making), E-Poster and Think bots (Quiz). In the competition students from all the science streams had actively participated. The Teacher coordinator of this event was Dr. Durga Ray.
