Student Orientation Program

The college adopts various means to create awareness among the first-year students. One of the means adopted by the college to create awareness is the orientation program. The objective of the orientation program is to acquaint newly admitted students with the college's amicable atmosphere.

The aim is to introduce them to the code of conduct of the college, develop indispensable skills, and provide information about innumerable programs and activities. The program not only encourages the holistic and academic growth of the students but also promotes a cordial student-student relationship and a student-teacher relationship.

A detailed input session on the policies, committees, and redressal for students' grievances, anti-ragging, and anti-sexual harassment of women is given by the College Principal to the first-year students during the Orientation Program in the beginning of every Academic Session.

Every year, during the orientation program for the new (first-year) students, a clear message is provided that no act of ragging shall be tolerated and any act of ragging shall not go unnoticed and unpunished.

He also informs the students how the cells for grievances, anti-ragging, and anti-sexual harassment of women operate. Above all, he emphasizes that the Anti-Sexual Harassment and Redressal cell functions as an Internal Complaints Committee (ICC).

The purpose of the committee is to deal with complaints relating to sexual harassment at the workplace. The orientation program for 2020–2021 and 2021–2022 was conducted online due to the pandemic.

The schedule of five years orientation program is given below:-
