Importance of National Integration in Today's world

'National Integration' refers to the term like 'National Identity', 'Unity', and 'Oneness'. Just as the example of my own country 'India' where the 'fellowship of different religions, languages and arts culture are woven in one garb of 'unity'. The flashback of India tells the importance of National Integration in about seventy-four years ago on 15/08/1947 India got Independence from the British Raj.

India was one of the wealthiest country in the world before British rule. Jawahar Lal Nehru first addressed the issue in 1947. The reason behind to do so was to get over to the rule of the British, which was the-
