EXPERT TALK ON BIOINFORMATICS

Bioinformatics is an interdisciplinary field that develops methods and software tools for understanding biological data, in particular when the data sets are large and complex. Keeping in view the importance of these tools, the Department of Biotechnology organized a two day online expert talk on Bioinformatics on 27-28 February 2023 from 7:00pm-8:00pm. The distinguished speaker of the program was **Ms. K.Srividya**, Project Research scholar, CSIR. CCMB, Hyderabad. She enlightens the importance and utility of bioinformatics in genomics and genetics, particularly those areas of genomics involving large-scale DNA sequencing. She also discussed the creation and advancement of databases, algorithms, computational and statistical techniques and practical problems in analysis of biological data. The speaker gave a detailed explanation about BLAST, NCBI, Primer designing and its usage. She concluded that the ultimate goal of Bioinformatics is to uncover the wealth of biological information hidden in the mass of sequence, structure, literature and obtain a clear insight of the fundamental biology of the organisms and use this information to enhance the standard of life for mankind. About 50 students participated in the talk.

GUEST LECTURE

On August 25, 2023, a guest lecture on Figures of Speech was organized by the department of English. The lecture was delivered by **Ms. Aarya Pandey, an Alumnus** from our esteemed institution. She covered various figures of speech, ranging from similes and metaphors to hyperboles and personifications. She captivated the audience with her engaging presentation style and insightful examples drawn from modern-day TV ads, movies, and series. She encouraged active participation from the attendees, inviting them to identify figures of speech in popular advertisements, movie dialogues, and TV show scripts.

This interactive approach fostered a lively atmosphere and kept everyone engaged throughout the session. The students enthusiastically participated in the discussions and activities initiated by her. The interactive nature of the session fostered a sense of camaraderie among the students and contributed to a memorable learning experience. The teacher incharge was Dr. Niharika Singh.

GUEST LECTURE ON CAREERS IN “CONTENT WRITING AND SOCIAL MEDIA MANAGEMENT”

On February 9th, 2024, the Department of English, St. Aloysius' College, Jabalpur, organized a guest lecture on the topic of "Careers in Content Writing and Social Media Management." The event took place in the conference room of the college at 10 am. The lecture was attended by 48 students eager to learn about opportunities in these fields. The guest speaker for the event was **Ms. Moulshree Sarwate**, an esteemed alumna of the college who has extensive experience in content writing and social media management. Ms. Sarwate was warmly welcomed by the students, and she delivered an illuminating and engaging talk on the subject matter. Drawing from her own experiences, she provided valuable insights into what content writing entails, who creates it, and its significance in today's digital landscape. Additionally, she offered practical advice on how to pursue careers in these areas and where to find relevant job opportunities. Towards the end of the session, Ms. Sarwate encouraged interaction by inviting questions from the students. This interactive segment allowed attendees to clarify doubts and gain further insights into the discussed topics. The session concluded with a vote of thanks to Ms. Sarwate for sharing her expertise and valuable insights with the students. Overall, the alumni guest lecture served as an enriching experience for all attendees, providing them with valuable knowledge and guidance for potential career paths in content writing and social media management. The teacher incharge was Dr. Niharika Singh.
