SEMINAR ON ENTREPRENEURSHIP ENHANCEMENT

The Department of Management has organized a seminar on 9th October, 2019 on the topic 'Entrepreneurship Enhancement'. College alumni Gaurav Jaiswal in his input focused on entrepreneurship and the challenges faced by youth when starting a company. Gaurav Jaiswal, being an entrepreneur himself, likely shared valuable insights and experiences with the audience. During his lectures, Gaurav Jaiswal might have discussed various aspects of entrepreneurship, including the initial hurdles, financial challenges, market competition, and perhaps even personal anecdotes from his entrepreneurial journey. The aim of such sessions is often to inspire and guide the youth who are interested in venturing into the world of business. The number of participants was around 55.

ALUMNI TALK ON MASTERING THE UGC NET EXAMS

The Department of Computer Science has organized a special alumni talk on the topic 'Unlocking Success: Insights and Strategies for Mastering the NET Exam'. The talk was organized tailored for postgraduate students focusing on tips for preparing for the NET exam. On 20th December, 2020, **Ms. Sonam Sharma, an esteemed** alumna who successfully completed her M.Sc. in Computer Science, shared her insights and strategies for excelling in this competitive examination. Ms. Sharma's journey from student to NET qualifier serves as an inspiration, and her firsthand experience navigating the exam will provide invaluable guidance to current PG students. The talk cover essential topics such as effective study techniques, time management, recommended resources, and tackling common challenges faced during the preparation phase. Attendees can expect an interactive session filled with practical advice and personalized tips to optimize their preparation efforts. Don't miss this opportunity to gain a competitive edge and maximize your potential for success in the NET exam.

INVITED TALK ON FUTURE ASPECTS FOR NON-CODER

The Department of Computer Science has organized special talk "Future Aspects for Non-Coders" on August 26, 2023 at Computer Lab ,St. Aloysius College. This gathering was brought up to the students by Departmental Alumni Mr. Sahul Choudhary, Software Engineer, NTT DATA, Nippon Telegraph and Telephone Corporation, Bangalore. The event aimed to shed light on the future opportunities and challenges for non-coders in an increasingly digital world. It highlighted the importance of digital literacy, cross-disciplinary collaboration, and the role of emerging technologies. Attendees left with a deeper understanding of how they can harness technology for their benefit, even without extensive coding skills. As technology continues to evolve, events like this play a crucial role in bridging the gap between coders and non-coders, ensuring that everyone can contribute to and benefit from the digital revolution.
